79.10.1.1	<input type="checkbox"/>		Integrating stormwater management and landscape planning	The Authority resolved to note the final report entitled Review of stormwater management integration with natural resources management and catchment planning, South Australia.
79.10.2.1	<input type="checkbox"/>		Integrating stormwater management and land-use planning	The Authority resolved to : (1) Note the final report entitled Integrating Stormwater Management and the Planning System: Findings Report. (2) Note that the earlier draft report has been provided to the Minister's Stormwater Expert Panel.
79.10.3.1	<input type="checkbox"/>		Stormwater Management Fund investment options	The Authority resolved to: (1) Delegate authority to the General Manager to instruct the Local Government Finance Authority to invest a sum of \$5 m for a term of 90-days and a sum of \$5 m for a term of 180-days. (2) Delegate authority to the General Manager to reinvest, vary the investment principal and/or vary the investment term on maturation (and subsequent maturations) of the investments.
79.10.7.1	<input type="checkbox"/>		Stormwater Management Planning Guidelines	The Authority resolved to request that the General Manager bring a report to a future meeting on actions required to revise and reissue the Stormwater Management Planning Guidelines.

Meeting 78, Monday, 31 October 2022

78.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 26 May 2022 to 17 October 2022.
78.6.2.1	<input type="checkbox"/>		Minister's Stormwater Expert Panel	The Authority resolved to note the progress of the Minister's Stormwater Expert Panel.

Res. No	Conf.	Applicant	Agenda Item	Resolution
78.6.3.1	<input type="checkbox"/>		Stormwater Management Cost Benefit Framework	The Authority resolved to approve a contribution of 50% of the cost, up to \$100 000, for the development and application of a framework for evaluating the social, environmental and economic costs and benefits of stormwater management under current and future change scenarios, in partnership with the Department for Environment and Water.
78.7.3.1	<input type="checkbox"/>		Floodplain Mapping Project (DIT-PLUS)	The Authority resolved to note the progress of the Department for Trade and Investment, Planning and Land Use Services (DTI-PLUS) Flood Hazard Mapping and Assessment Project and its implications for both the Planning and Design Code spatial overlays and current and future stormwater management plans.
78.8.1.1	<input type="checkbox"/>		Status of SMPs	The Authority resolved to note the status of the development and approval of SMPs.
78.8.2.1	<input type="checkbox"/>	Port Adelaide Enfield	Barker Inlet CentralSMP--For approval	The Authority resolved to: (1) Approve the Barker Inlet Central Stormwater Management Plan (2) Agree to inform the City of Port Adelaide Enfield and City of Prospect respectively, that the approval of the Barker Inlet Central Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice (4) Agree to inform the City of Port Adelaide Enfield and City of Prospect that it is the recommendation of the Authority that flood hazard (depth-velocity) maps are prepared for the area covered by the stormwater management plan subject to resourcing by the respective councils.
78.8.3.1	<input type="checkbox"/>	Charles Sturt	West Lakes SMP--For approval	The Authority resolved to: (1) Approve the West Lakes Stormwater Management Plan (2) Agree to inform the City of Charles Sturt that the approval of the West Lakes Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice.
78.9.1.1	<input type="checkbox"/>	BHKCSB	BHCK SMP Works 2022-23 (228/22)	The Authority resolved to: (1) Approve the intended work program for the Brown Hill Keswick Creek Stormwater Project in 2022-23 (2) Approve a contribution of up to \$4.5 million to the Brown Hill and Keswick Creeks Stormwater Board for works to be undertaken in financial year 2022-23 as part of the Brown Hill Keswick Creek Stormwater Project (3) Agree to grant the contribution to the Brown Hill and Keswick Creeks Stormwater Board on execution of a grant agreement (4) Note that no payment will be made until such time as approval for the lower Brown Hill Creek works have been obtained from the Parliamentary Public Works Committee (5) Agree to inform the Brown Hill Keswick Creeks Stormwater Board of the requirement for the lower Brown Hill Creek works to be considered by the Parliamentary Public Works Committee.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 77, Wednesday, 1 June 2022				
77.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 1 April to 25 May 2022.
77.6.1.1	<input type="checkbox"/>		Stormwater Management Planning Priorities Project	The Authority resolved to: (1) Approve and adopt the priorities document: "Stormwater Management Planning Priorities for South Australia 2022 (2) Note and endorse the principles contained herein for adopting the priorities document (3) Approve the communication for the release of the priorities document subject to changes discussed (4) Approve the priorities document for public release via the Authority's website and in accordance with the communication plan.
77.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
77.9.1.1	<input type="checkbox"/>	Streaky Bay	District Council of Streaky Bay—Streaky Bay SMP (revision) (225/21)	The Authority resolved to approve in principle a strategic assessment of stormwater management needs in Streaky Bay, subject to an agreed scope of work in consultation with the Technical Adviser.
77.9.2.1	<input type="checkbox"/>	Port Augusta	Port Augusta City Council—Port Augusta digital elevation model (226/21)	The Authority resolved to approve a contribution of up to \$30 000 to the Port Augusta City Council for the Port Augusta digital elevation model, subject to receipt of a commitment in writing from the Chief Executive Officer of the Port Augusta City Council that the Council will proceed within eighteen-months to develop a SMP in accordance with the Authority's guidelines.
77.9.3.1	<input type="checkbox"/>	Port Adelaide Enfield	City of Port Adelaide Enfield—Torrens Urban North Urban East SMP (227/21)	The Authority resolved to approve in principle application 227/21 pending outcomes of discussions with the catchment councils and Green Adelaide to agree on the catchment boundary of the SMP and respective contributions to the project.
77.10.1.1	<input type="checkbox"/>		Stormwater management planning and landscape planning	The Authority resolved to: (1) Note the presentation by Ms Catherine Miles on opportunities to better integrate stormwater management planning with landscape planning; and (2) Note that a final report is forthcoming.
Meeting 76, Thursday, 7 April 2022				
76.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 9 February to 31 March 2022.
76.6.2.1	<input type="checkbox"/>		Review of Business Plan 201-2023	The Authority resolved to: (1) Note the implementation status of the business plan for 2021-23 (2) Approve the revised timeframes and priorities proposed for delivery of the outstanding business plan actions.

Res. No	Conf.	Applicant	Agenda Item	Resolution
76.6.3.1	<input type="checkbox"/>		Recommendation of Strategic Plan and Business Plan to the Minister for Environment and Water	The Authority resolved to delegate authority to the Presiding Member to send correspondence to the Minister for Climate, Environment and Water.
76.6.3.1	<input type="checkbox"/>		Stormwater Management Planning Priorities Project	The Authority resolved to: (1) Note the development of the prioritisation framework (2) Request that the General Manager prepare a communications strategy for consultation and release of the Stormwater Management Planning Priorities 2022, and a report on implications of the new priorities document for the Authority's policies and practices.
76.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
Meeting 75, Tuesday, 15 February 2022				
75.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 1 December 2021 to 8 February 2022.
75.6.1.1	<input type="checkbox"/>		Urban Water Directions Statement	The Authority resolved to note the progress made in releasing the Urban Water Directions Statement.
75.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
75.9.1.1	<input type="checkbox"/>	Barunga West	Barunga West Council—Mundoora Stormwater (221/21)—update	The Authority resolved to: (1) Approve a contribution to the Barunga West Council of up to \$92 814 for the Mundoora stormwater project. (2) Direct staff to engage with Barunga West Council to identify opportunities for more strategic planning of stormwater management in their townships in line with the overarching goals of the Authority's Stormwater Management Planning Guidelines.
75.9.2.1	<input type="checkbox"/>	Northern Areas	Northern Areas Council—NAC Flood Modelling (196/20)—request for variation	The Authority resolved to approve in-principle the requested variation to the scope of the application 196/19 and increase in the Authority's contribution from up to \$50 000 to up to \$100 000, subject to submission of a project plan/brief and supplier tenders to the satisfaction of the SMA Technical Advisor.
75.10.1.1	<input type="checkbox"/>		Reconciliation Action Plan	The Authority resolved to: (1) Align with the Department for Environment and Water's Reconciliation Action Plan (2) Adopt the actions proposed in support of the Reconciliation Action Plan.
Out-of-Session				
2022/1	<input type="checkbox"/>		Staff attendance at 2022 Floodplain Management Australia national conference	The Authority resolved to approve expenditure of \$6400 for the General Manager and Technical Adviser to attend the 2022 Floodplain Management Australia (FMA) national conference.

Res. No	Conf.	Applicant	Agenda Item	Resolution
2022/2	<input type="checkbox"/>	DEW	Memorandum of Administrative Agreement, Gawler River Flood Management Program--Request for variation	The Authority resolved to: (1) Approve variation of the Memorandum of Administrative Agreement between the Authority and the Department for Environment and Water for the delivery of the Gawler River Flood Management Program, as proposed by the Department for Environment and Water (2) Delegate authority to the General Manager to respond to the Manager, Flood Management, Department for Environment and Water, to accept the variation.
2022/3	<input type="checkbox"/>	UniA	University of Adelaide—Smart detention storage tanks (198/20)—update	The Authority resolved to approve a contribution of up to \$110 000 to the University of Adelaide for research and physical modelling of smart detention tank storages.
2022/3	<input type="checkbox"/>		Annual report and financial statements 2021-22	The Authority resolved to: (1) Approve the draft annual report for the Stormwater Management Authority for the financial year ended 30 June 2022 (2) Delegate authority to the Presiding Member to sign the annual report (3) Delegate authority to the General Manager to transmit the annual report to the Minister for Climate, Environment and Water and the President of the LGA.
2022/4	<input type="checkbox"/>	Victor Harbor	City of Victor Harbor--Yandra Terrace outlet upgrade (214/21)--urgent works	The Authority resolved to: (1) Note the need for the City of Victor Harbor to accelertae delivery of the Yandra Terrace outlet works (2) Note that it is the understanding of both the Authority and the City of Victor Harbor that payment of grant monies towards the project under application 214/21 will not occur until the conditions of resolution 74.9.1.3 are satisfied in full or otherwise varied by the Authority.
2022/5	<input type="checkbox"/>		Review of policies and procedures	The Authority resolved to: (1) Note that the Code of Ethics has been reviewed and does not require amendment. (2) Note that the Conflict of Interest Policy, Risk Management Policy and Stormwater Management Planning Powers Policy have been reviewed and do not require amendment. (3) Note that the Risk Management Procedure, SMF Account Operating Procedure, SMF Applications and Claims Procedure have been reviewed and do not require amendment. (4) Approve and delegate authority to the Presiding Member to endorse the revised Financial Management Policy and Board Meeting Procedure.

Res. No	Conf.	Applicant	Agenda Item	Resolution
---------	-------	-----------	-------------	------------

Year: 2021

Meeting 74, Tuesday, 7 December 2021

74.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 6 October 2021 to 30 November 2021.
74.7.1.1	<input type="checkbox"/>		Brown Hill Keswick Creek Stormwater Project	The Authority resolved to: (1) Note that the Brown Hill Keswick Creek Stormwater Project (BHKCSP) has established lines of communication with the North-South Corridor project to co-ordinate works (2) Note that the works proposed by the BHKCSP have been sized to contain a 1% AEP event to the main channel assuming limited increase in infill development and historic climate conditions (3) Note that it is the intention of the BHKCSP to undertake new modelling of the performance of the proposed works (4) Request that the General Manager obtain advice from the BHKCSP on the implications of the new modelling for the project when this information is available.
74.7.2.1	<input type="checkbox"/>		Gawler River Flood Management Program	The Authority resolved to note the alignment between development of the Gawler River Stormwater Management Plan and the business case for investment in the Gawler River catchment (that is being prepared in accordance with ISA's Assurance Framework).
74.7.2.5	<input type="checkbox"/>	DEW	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to decline a contribution to the Department for Environment and Water for remedial works in the Highbury Aqueduct Reserve.
74.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
74.9.1.1	<input type="checkbox"/>	Whyalla	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to approve a contribution to the City of Whyalla of up to \$142 500 for land acquisition to support the Valley 1 Stormwater Project.
74.9.1.2	<input type="checkbox"/>	Burnside	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to decline a contribution to the City of Burnside for high risk culvert remediation works.
74.9.1.3	<input type="checkbox"/>	Victor Harbor	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to approve a contribution to the City of Victor Harbor of up to \$90 000 for the Yandra Terrace outlet upgrade, subject to: (a) Submission to and approval by the Authority of the Victor Harbor Stormwater Management Plan.

Res. No	Conf.	Applicant	Agenda Item	Resolution
74.9.1.4	<input type="checkbox"/>	Holdfast Bay	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to approve a contribution to the City of Holdfast Bay of up to \$200 000 for the design and construction of a gross pollutant trap at Harrow Road, Somerton Park.
74.9.1.6	<input type="checkbox"/>	Wakefield	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to decline a contribution to the Wakefield Regional Council for internal drainage works in the Townsvale Estate.
74.9.1.7	<input type="checkbox"/>	Mid Murray	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to decline a contribution to the Mid-Murray Council for stormwater work in the town of Mannum.
74.9.1.8	<input type="checkbox"/>	Norwood, Payneham & St Peters	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to decline a contribution to the City of Norwood, Payneham and St Peters for Seventh Avenue flood mitigation.
74.9.1.9	<input type="checkbox"/>	Barunga West	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to defer consideration of application 221/21 submitted by the Barunga West Council for Mundoora stormwater
74.9.1.10	<input type="checkbox"/>	Copper Coast	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to approve a contribution to the Copper Coast Council of up to \$333 600 for Moonta Road flood mitigation.
74.9.1.11	<input type="checkbox"/>	Copper Coast	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to approve a contribution to the Copper Coast Council of up to \$180 000 for George Street flood mitigation.
74.9.1.12	<input type="checkbox"/>	Tea Tree Gully	Call for Category C applications (closed 13 September 2021)—for approval	The Authority resolved to decline a contribution to the City of Tea Tree Gully for the Meadowvale Reserve works.
74.10.2.1	<input type="checkbox"/>		Statutory Authorities Review Committee inquiry into the Authority	The Authority resolved to note the correspondence received from the Presiding Member of the Statutory Authority Review Committee and the final report of the Committee's inquiry into the Authority.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 73, Tuesday, 12 October 2021				
73.2.1	<input type="checkbox"/>		Confirmation of Minutes	The Authority resolved that minutes of Authority meetings shall be publicly available via the Authority's page on the LGA website.
73.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 11 August 2021 to 5 October 2021.
73.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
73.8.2.1	<input type="checkbox"/>	Playford	City of Playford—various SMPs—update	The Authority resolved to: (1) Note the summary and outcomes of the meeting between the Chief Executive of the City of Playford and the Presiding Member. (2) Endorse the (in-principle) position that the Authority will consider for approval a stormwater management plan (or plans) submitted by the City of Playford where community consultation is reasonably limited to an 'early works' subset of the total works and measures identified in the plan(s).
73.9.1.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt—Meakin Tce flood mitigation investigation (212/21)	The Authority resolved to defer a decision on the application pending further discussions with the City of Charles Sturt.
73.9.2.1	<input type="checkbox"/>	Prospect	City of Prospect—Churchill Road Drain (stage 1) (design) (220/21)	The Authority resolved to: (1) Approve a contribution to the City of Prospect of up to \$100 000 for detailed design of the Churchill Road Drain (stage 1) (2) Note that the actual contribution for detailed design will reduce the Authority's contribution to construction of the Churchill Road Drain (under application 209/21) by an equivalent amount.
73.10.3.1	<input type="checkbox"/>		Communication Plan	The Authority resolved to: (1) Approve the revised Communication Plan (2) Delegate authority to the Presiding Member to endorse the Communication Plan (3) Approve the format of the board newsletter.
73.10.3.1	<input type="checkbox"/>		Audit of the Stormwater Management Authority for 2020-21	The Authority resolved to note the Independent Auditor's Report for the financial year ended 30 June 2021.
73.11.1.1	<input type="checkbox"/>		Policies and procedures review	The Authority resolved to: (1) Note that the <i>Code of Ethics</i> has been reviewed without material amendment (2) Note that the <i>Conflict of Interest Policy</i> and <i>Stormwater Management Planning Powers Policy</i> have been reviewed without material amendment (3) Approve and delegate authority to the Presiding Member to endorse the revised: (a) <i>Financial Management Policy</i> and <i>Risk Management Policy</i> (b) <i>Risk Management Procedure</i> and <i>SMF Applications and Claims Procedure</i> .

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 72, Tuesday, 17 August 2021				
72.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 9 June 2021 to 10 August 2021.
72.7.1.1	<input type="checkbox"/>		BHKC Stormwater Project	The Authority resolved to: (1) Note the funding model proposed by the Brown Hill Keswick Creek Stormwater Project in its correspondence dated 27 July 2021. (2) Agree to inform the Brown Hill Keswick Creek Stormwater Project that, with respect to works proposed for the upper Brown Hill Creek upgrades and Keswick Creek flow diversions, it agrees in principle with the funding model proposed, subject to the Project securing additional funding from the State and Commonwealth governments. (3) Agree to inform the Brown Hill Keswick Creek Stormwater Project that, with respect to works proposed for the upper Brown Hill Creek and Glen Osmond Creek upgrades, the Authority is unable to provide accelerated funding to meet a target completion year of 2032. (4) Agree to inform the Brown Hill Keswick Creek Stormwater Project that, subject to (2) and (3) above, the Authority confirms its overall contribution to the Project is up to \$70 million, matched at least dollar-for-dollar by the Brown Hill Keswick Creek Stormwater Board, and subject to submission of funding applications by the Brown Hill and Keswick Creeks Stormwater Board in accordance with the arrangement previously agreed under resolution 66.11.2.1.
72.8.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
72.8.2.1	<input type="checkbox"/>	Northern Areas	Jamestown SMP—for approval	The Authority resolved to: (1) Approve the Jamestown Stormwater Management Plan. (2) Agree to inform the Northern Areas Council that the approval of the Jamestown Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan. (3) Delegate authority to the Presiding Member to sign the gazettal notice.
72.9.1.1	<input type="checkbox"/>	Coorong	Coorong District Council—Stormwater Investigations for Coonalpyn, Meningie, Taillem Bend, Tintinara and Wellington East (210/21)	The Authority resolved to approve a contribution to the Coorong District Council of up to \$25,000 for stormwater investigations in Coonalpyn, Meningie, Taillem Bend, Tintinara and Wellington East.
72.9.2.1	<input type="checkbox"/>	Playford	City of Playford—Various SMPs (174/18, 175/18, 176/18)—update	The Authority resolved to note the correspondence received from Mr Sam Green, Chief Executive Officer, City of Playford.

Res. No	Conf.	Applicant	Agenda Item	Resolution
72.11.1.1	<input type="checkbox"/>		Annual report and financial statements for 2020-21	The Authority resolved to: (1) Approve the draft annual report for the Stormwater Management Authority for the financial year ended 30 June 2021. (2) Delegate authority to the Presiding Member to sign the annual report. (3) Delegate authority to the General Manager to transmit the annual report to the Minister for Environment and Water and the President of the LGA.
Meeting 71, Tuesday, 22 June 2021				
71.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 14 April 2021 to 8 June 2021.
71.7.2.1	<input type="checkbox"/>		Gawler River Special Funding	The Authority resolved to: (1) Note that the first tranche of Gawler River special funding (\$2.8 million) is expected to be transferred to the Stormwater Management Fund prior to 30 June 2021 (2) Approve payments of up to \$1.9 million to the Department for Environment and Water, as set out in the Memorandum of Administrative Agreement (3) Delegate authority to the Presiding Member to execute the Memorandum of Administrative Agreement with the Chief Executive of the Department for Environment and Water.
71.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
71.8.2.1	<input type="checkbox"/>	Goyder	Burra SMP – for approval	The Authority resolved to: (1) Approve the Burra Stormwater Management Plan (2) Agree to inform the Regional Council of Goyder that the approval of the Burra Stormwater Management Plan in accordance with the Local Government (Stormwater Management Agreement) Amendment Act 2016 does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice.
71.9.1.1	<input type="checkbox"/>	BHKCSB	Brown Hill and Keswick Creeks Stormwater Board- Brown Hill Keswick Creek Stormwater Project Works 2021-22 (206/21)	The Authority resolved to: (1) Approve the intended work program for the Brown Hill Keswick Creek Stormwater Project in 2021-22 (2) Approve a contribution of up to \$5.0 million to the Brown Hill and Keswick Creeks Stormwater Board for works to be undertaken in financial year 2021-22 as part of the Brown Hill Keswick Creek Stormwater Project (3) Agree to grant the contribution to the Brown Hill and Keswick Creeks Stormwater Board in advance following execution of a grant agreement.
71.9.2.1	<input type="checkbox"/>	Onkaparinga	City of Onkaparinga—Silver Sands Stormwater Management Plan (120/13)—withdrawal of funding	The Authority resolved to withdraw the offer of funding made to the City of Onkaparinga under application 120/13.

Res. No	Conf.	Applicant	Agenda Item	Resolution
71.9.3.1	<input type="checkbox"/>	Gawler	Town of Gawler—Hillier fire ground channel rehabilitation works (207/21)	The Authority resolved to: (1) Approve a contribution of up to \$440,000 to the Town of Gawler for the Hillier fire ground rehabilitation works subject to agreement by Treasury to release Gawler River special funding to the Stormwater Management Fund (2) Note that additional funding for the Hillier fire ground rehabilitation works will be provided to the Department for Environment and Water as part of a separate Memorandum of Administrative Agreement for the overall Gawler River flood management program, and subject to agreement by Treasury to release Gawler River special funding to the Stormwater Management Fund (3) Note that all contributions towards this project will be accommodated from the Gawler River special funding included in the 2021-22 State Budget.
71.9.4.1	<input type="checkbox"/>	Prospect	City of Prospect—Churchill Road drain (209/21)	The Authority resolved to: (1) Agree in-principle to support the Churchill Road drain upgrade subject to: a. the submission to and approval by the Authority of the Barker Inlet Stormwater Management Plan; and, b. the submission to and acceptance by the Authority of a detailed design for the works (2) Request that the City of Prospect submits an application for funding support for the preparation of a detailed design for the work (3) Advise the City of Prospect that any funding support for detailed design will comprise a part of the Authority's overall contribution to the project.
71.10.1.1	<input type="checkbox"/>		Review of the Water Industry Act and draft water security statement for South Australia	The Authority resolved to: (1) Note correspondence received from the Minister for Environment and Water dated 24 May 2021 (2) Note that the report "Review of the Water Industry Act 2012" has been completed (3) Note the draft water security statement for South Australia has been released for targeted consultation.
71.10.2.1	<input type="checkbox"/>		Urban Water Directions Statement	The Authority resolved to note the progress in the development of an Urban Water Directions Statement by the Department for Environment and Water.
71.10.3.1	<input type="checkbox"/>		Integrating stormwater management, asset management and financial management planning	The Authority resolved to: (1) Note that a grant application to the Local Government Association Research and Development Scheme for research into how prioritised projects identified in stormwater management plans can be embedded in asset management plans and long-term financial plans is unlikely to be supported (2) Agree to engage with the Local Government Association when it is consulting on its planned whole-of-local-government template for strategic management planning and guidance for integrating management plans.
Meeting 70, Tuesday, 20 April 2021				
70.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 12 February 2021 to 13 April 2021.

Res. No	Conf.	Applicant	Agenda Item	Resolution
70.6.1.1	<input type="checkbox"/>		Strategic Plan and Business Plan	The Authority resolved to: 1. Approve the SMA Strategic Plan 2021-2030 and the Business Plan 2021-2023 2. Delegate authority to the Presiding Member to send correspondence to the Minister for Environment and Water 3. Delegate authority to the Presiding Member to send correspondence to the President of the Local Government Association.
70.7.2.1	<input type="checkbox"/>		Gawler River Special Funding	The Authority resolved to: 1. Note the proposed funding framework for the Gawler River special funding 2. Agree in principle to the Authority's roles and responsibilities with respect to the framework, specifically: a) To ensure compliance with the Local Government Act 1999, and to implement the recommendation/s of the Gawler River Flood Management Steering Committee b) To enter into grant agreements with the relevant project lead/s for Gawler River flood management projects c) To hold funds in the Stormwater Management Fund until required to make payments per agreed grant milestones. 3. Request that the Chair of the Gawler River Flood Management Steering Committee provides the Authority with the guiding principles for recommending projects to the Authority.
70.8.1.1	<input type="checkbox"/>		High Priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs.
70.8.2.1	<input type="checkbox"/>		Progress towards SMP's for First to Fifth Creeks	The Authority resolved to: 1. Note that it remains the (in-principle) intention of the Campbelltown City Council to progress a SMP for the Fourth to Fifth Creek catchments 2. Note the effort of the City of Norwood, Payneham and St Peters to progress a SMP for the Third Creek catchment.
70.9.1.1	<input type="checkbox"/>	Playford	City of Playford—Park Road drainage system stage 1 (205/21)	The Authority resolved to approve a contribution of up to \$2.632 m to the City of Playford for the Park Road drainage system (stage 1) project, subject to: a) Agreement by Treasury to release Gawler River special funding to the Stormwater Management Fund. b) Review of the detailed design for the project by the Authority prior to the commencement of construction.
70.10.1.1	<input type="checkbox"/>		Implementation status of approved stormwater management plans	The Authority resolved to: 1. Note the report <i>Stormwater Management Plan Status Review</i> dated February 2021 2. Note that the report (and ongoing work) furthers business plan objective 4 to 'understand the current status of SMP implementation' and action 4.2 to 'commence regular data collection on the progress of SMP implementation and lessons learned'.
Meeting 69, Thursday, 18 February 2021				
69.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 11 November 2020 to 11 February 2021.

Res. No	Conf.	Applicant	Agenda Item	Resolution
69.7.2.1	<input type="checkbox"/>		Gawler River Special Funding	The Authority resolved to: (1) Note that the Gawler River special funding has been made available in the State Budget 2020-21 (2) Note the proposed arrangements for administering the Gawler River special funding and for managing delivery of four projects identified for funding (3) Delegate authority to the General Manager to send correspondence to the Town of Gawler and City of Playford respectively inviting them to submit applications for funding.
69.8.1.1	<input type="checkbox"/>		High Priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs and other supported SMPs
69.8.2.1	<input type="checkbox"/>	Whyalla	Whyalla SMP—satisfaction of conditions of approval	The Authority resolved to note the conditions set out in Schedule A to the notice of approval of the Whyalla Stormwater Management Plan, published in the South Australian Government Gazette on 27 June 2019, have been satisfied.
69.9.1.1	<input type="checkbox"/>	Victor Harbor	City of Victor Harbor – Victor Harbor SMP (199/20) – Request for variation	The Authority resolved to approve a variation to application 199/20 for the City of Victor Harbor, to increase the approved funding from up to \$100,000 to up to \$111,258.
69.10.1.1	<input type="checkbox"/>		Torrens to Darlington project – access to hydraulic models	The Authority resolved to delegate authority to the Presiding Member to sign and send the correspondence to the Project Director, Brown Hill Keswick Creek Stormwater Project, and the Chief Executive Officers of the Cities of Marion, Mitcham, Unley and West Torrens respectively.
Out-of-Session				
2021/1	<input type="checkbox"/>	GRFMA	Gawler River SMP	The Authority resolved to approve a contribution of up to \$100 000 to the Gawler River Floodplain Management Authority for the Gawler River Stormwater Management Plan.
2021/2	<input type="checkbox"/>	Charles Sturt	Meakin Terrace Investigations	The Authority resolved to: (1) Approve a contribution of up to \$37 000 to the City of Charles Sturt to undertake an investigation into flood mitigation options for Meakin Terrace. (2) Request that the City of Charles Sturt include the following considerations in the investigation (Nb: These considerations will be documented as part of the grant agreement): (a) Examination of options for and potential impacts of surface detention storage and combination surface/sub-surface detention storage, including how these may change over time due to development, climate change, and/or the staged roll out of detention. (b) Quantitative review of the influence of all external catchment contributions to the Meakin Terrace sub-catchment. (c) Any opportunities for water quality improvement and biodiversity outcomes in conjunction with the stormwater detention functionality.

Res. No	Conf.	Applicant	Agenda Item	Resolution

Year: 2020

Meeting 68, Wednesday, 18 November 2020

68.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 16 September 2020 to 10 November 2020.
68.6.2.1	<input type="checkbox"/>		Mount Bold Dam upgrade—update	The Authority resolved to: (1) Note the receipt of correspondence from the Minister for Environment and Water (2) Note that the Presiding Member will meet with the Chief Executive Officer of the Onkaparinga Council, Chief Executive of SA Water and executives from the Department for Environment and Water in relation to the Mount Bold Dam upgrade project.
68.6.3.1	<input type="checkbox"/>		Stormwater Management Fund Guide for Applicants—update	The Authority resolved to: (1) Approve changes to the <i>Stormwater Management Fund Guide for Applicants</i> subject to minor changes circulated out-of-session (2) Delegate authority to the Presiding Member to sign and send the attached correspondence to the Minister for Environment and Water seeking approval of the Stormwater Management Fund Guide for Applicants (3) Delegate authority to the Presiding Member to sign and send the attached correspondence to the President of the Local Government Association seeking approval of the Stormwater Management Fund Guide for Applicants.
68.6.4.1	<input type="checkbox"/>		Stormwater management planning priorities—update	The Authority resolved to: (1) Note the feedback received on the discussion paper <i>Priorities for Stormwater Management Planning in South Australia</i> (2) Agree in principle to the draft principles to be applied to prioritising stormwater management planning (3) Note that that an acquisition plan, specification and request for quote are being developed to obtain Department for Environment and Water procurement approvals and to engage a service provider (4) Agree to nominate a committee comprising the General Manager, Technical Adviser and up to two board members to fill the role of the evaluation panel for procurement of a service provider.
68.6.5.1	<input type="checkbox"/>		Phase 3 Planning and Design Code—consultation	The Authority resolved to: (1) Note the changes proposed to the Planning and Design Code (Phase 3) (2) Note the issues with the Planning and Design Code (Phase 3) as proposed (3) Request that the General Manager provides a submission on behalf of the Authority to the State Planning Commission to highlight the issues identified.
68.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to: (1) Note the status of the preparation of high-priority SMPs (2) Note the status of the preparation of other supported SMPs.

Res. No	Conf.	Applicant	Agenda Item	Resolution
68.10.2.1	<input type="checkbox"/>		LGA Discussion Paper: Improving stormwater management in South Australia—opportunities for alignment	The Authority resolved to note the relevant opportunities to align activities with the recommendations of the LGA Discussion Paper: Improving stormwater management in South Australia.

Meeting 67, Tuesday, 22 September 2020

67.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 16 July 2020 to 15 September 2020.
67.6.1.1	<input type="checkbox"/>		Gawler River—update	The Authority resolved to: (1) Note receipt of correspondence from Mr James Miller, Chief Executive Officer, Adelaide Plains Council (2) Note the update in relation to the activities of the GRFMA.
67.6.2.1	<input type="checkbox"/>		Mount Bold Dam upgrade—update	The Authority resolved to note the update in relation to the Mount Bold Dam upgrade project.
67.6.3.1	<input type="checkbox"/>		Stormwater Management Fund operating arrangements (and Guide for Applicants)	The Authority resolved to: (1) Approve transitioning the operating mode of the Stormwater Management Fund from being 'on demand' to being subject to an annual (or as otherwise required) 'call for applications', for capital works projects only (2) Request that the General Manager propose further changes to the <i>Stormwater Management Fund Guide for Applicants</i> .
67.7.1.1	<input type="checkbox"/>		BHKC Stormwater Project—update	The Authority resolved to note the update in relation to the Brown Hill Keswick Creek Stormwater Project.
67.8.1.1	<input type="checkbox"/>		Status of stormwater management plans	The Authority resolved to: (1) Note the status of the preparation of high-priority SMPs (2) Note the status of the preparation of other supported SMPs.
67.8.2.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Auburn Stormwater Management Plan	Resolution 67.8.2.1: The Authority resolved to: (1) Approve the Auburn Stormwater Management Plan (2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Auburn Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice.

Res. No	Conf.	Applicant	Agenda Item	Resolution
67.8.3.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Clare Stormwater Management Plan	<p>The Authority resolved to:</p> <p>(1) Approve the Clare Stormwater Management Plan</p> <p>(2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Clare Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan</p> <p>(3) Delegate authority to the Presiding Member to sign the gazettal notice.</p>
67.8.4.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Manoora Stormwater Management Plan	<p>The Authority resolved to:</p> <p>(1) Approve the Manoora Stormwater Management Plan</p> <p>(2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Manoora Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan</p> <p>(3) Delegate authority to the Presiding Member to sign the gazettal notice.</p>
67.8.5.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Mintaro Stormwater Management Plan	<p>The Authority resolved to:</p> <p>(1) Approve the Mintaro Stormwater Management Plan</p> <p>(2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Mintaro Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan</p> <p>(3) Delegate authority to the Presiding Member to sign the gazettal notice.</p>
67.8.6.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Rhynie Stormwater Management Plan	<p>The Authority resolved to:</p> <p>(1) Approve the Rhynie Stormwater Management Plan</p> <p>(2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Rhynie Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan</p> <p>(3) Delegate authority to the Presiding Member to sign the gazettal notice.</p>
67.8.7.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Riverton Stormwater Management Plan	<p>The Authority resolved to:</p> <p>(1) Approve the Riverton Stormwater Management Plan</p> <p>(2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Riverton Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan</p> <p>(3) Delegate authority to the Presiding Member to sign the gazettal notice.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
67.8.8.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Saddleworth Stormwater Management Plan	The Authority resolved to: (1) Approve the Saddleworth Stormwater Management Plan (2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Saddleworth Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice.
67.8.9.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Stockport Stormwater Management Plan	The Authority resolved to: (1) Approve the Stockport Stormwater Management Plan (2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Stockport Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice.
67.8.10.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Tarlee Stormwater Management Plan	The Authority resolved to: (1) Approve the Tarlee Stormwater Management Plan (2) Agree to inform the Clare and Gilbert Valleys Council that the approval of the Tarlee Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Presiding Member to sign the gazettal notice.
67.9.1.1	<input type="checkbox"/>	BHKCSB	Brown Hill and Keswick Creeks Stormwater Board—Brown Hill Keswick Creek Stormwater Project works 2019-20 (192/19)	The Authority resolved to approve a contribution of \$1 521 232.77 to the Brown Hill Keswick Creek Stormwater Board as the final contribution for works undertaken as part of the Brown Hill Keswick Creek Stormwater Project in the 2019-20 financial year.
67.9.2.1	<input type="checkbox"/>	Whyalla	Whyalla City Council—Valley 1 stormwater (stage 1) (202/20)	The Authority resolved to: (1) Approve a contribution of up to \$70 000 to the Whyalla City Council for the design of stormwater works in 'Valley 1' (2) Agree to inform the Whyalla City Council that the contribution of funds to design work does not imply approval of the works or a funding commitment to the works (3) Defer a decision on a contribution of up to \$630 000 towards construction of the Cartledge Avenue basin, pending a further assessment of the capacity of the Stormwater Management Fund, outcomes of the design process, and potential for developer contributions.

Res. No	Conf.	Applicant	Agenda Item	Resolution
67.9.3.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Clare and Gilbert Valleys—Clare stormwater (stage 1) (203/20)	The Authority resolved to: (1) Approve a contribution of up to \$165 000 to the Clare and Gilbert Valley Council for the design of Clare stormwater works (stage 1) (2) Agree to inform the Clare and Gilbert Valleys Council that the contribution of funds to design work does not imply approval of the works or a funding commitment to the works.
67.10.1	<input type="checkbox"/>		Establishment of the Stormwater Advisory Committee	The Authority resolved to: (1) Note the requirements for establishing the Stormwater Advisory Committee (2) Agree to take no further action at this time with respect to establishing the Stormwater Advisory Committee.
67.10.2.1	<input type="checkbox"/>		AWSEM Project—update	The Authority resolved to note the findings of the Alternative Water Supply Efficiency Measures (AWSEM) project.
67.11.1	<input type="checkbox"/>		Annual report (and financial statements) 2020	The Authority resolved to: (1) Approve the annual report for the Stormwater Management Authority for the financial year ended 30 June 2020 subject to the amendment discussed (2) Delegate authority to the Presiding Member to sign the annual report (3) Delegate authority to the General Manager to transmit the annual report to the Minister for Environment and Water and the President of the LGA.
67.11.2	<input type="checkbox"/>		SMA policies and procedures	The Authority resolved to: (1) Note that the Code of Ethics has been reviewed without amendment (2) Note that the Conflict of Interest Policy has been reviewed without amendment (3) Approve and delegate authority to the Presiding Member to endorse the revised: (a) Financial Management Policy, Risk Management Policy and Stormwater Management Planning Powers Policy (b) Board Meeting Procedure, Risk Management Procedure, SMF Account Operating Procedure and SMP Approval Procedure.
67.11.3	<input type="checkbox"/>		SLA and resourcing requirements	The Authority resolved to: (1) Note the further definition provided relating to proposed resource and service level models for the Authority (2) Endorse 'Model 4' as the basis for the Authority's resource and service level requirements (3) Approve the draft service level agreement between the Department for Environment and Water and the Authority (4) Delegate authority to the Presiding Member to execute the service level agreement with the Chief Executive of the Department for Environment and Water.

Meeting 66, Wednesday, 22 July 2020

66.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period 29 April 2020 to 15 July 2020.
66.6.1.1	<input type="checkbox"/>		Gawler River—update	The Authority resolved to note the update provided in relation to the preparation of a stormwater management plan for Gawler River.

Res. No	Conf.	Applicant	Agenda Item	Resolution
66.6.2.1	<input type="checkbox"/>		Mount Bold Dam upgrade—update	The Authority resolved to: (1) Note the update in relation to the SA Water Mt Bold dam upgrade project (2) Note that the General Manager would provide a further update out-of-session following a planned meeting between SA Water, consultants acting on their behalf, and the City of Onkaparinga.
66.7.1.1	<input type="checkbox"/>		BHKC Stormwater Project—update	The Authority resolved to note the update provided in relation to the BHKC Stormwater Project.
66.8.1.1	<input type="checkbox"/>		Status of SMPs	The Authority resolved to: (1) Note the status of the preparation of high-priority SMPs (2) Note the status of the preparation of other supported SMPs.
66.8.2.1	<input type="checkbox"/>	Port Adelaide Enfield	Port River East Stormwater Management Plan	The Authority resolved to: (1) Approve the Port River East Stormwater Management Plan (2) Agree to inform the City of Port Adelaide Enfield that the approval of the Port River East Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan (3) Delegate authority to the Deputy Presiding Member to sign the gazettal notice.
66.8.3.1	<input type="checkbox"/>	Whyalla	Whyalla Stormwater Management Plan—update	The Authority resolved to: (1) Agree to extend the timeframe for the satisfaction of condition number one of Schedule A set out in the notice of approval of the Whyalla Stormwater Management Plan, published in the South Australian Government Gazette on 27 June 2019, by six-months to coincide with the timeframe for the satisfaction of condition number two (2) Note that the City of Whyalla has commenced work on the stormwater harvesting and reuse strategy for the satisfaction of condition number two.
66.8.4.1	<input type="checkbox"/>	Yankalilla	Yankalilla, Normanville and Carrickalinga Stormwater Management Plan	The Authority resolved to: (1) Approve the Yankalilla, Normanville and Carrickalinga Stormwater Management Plan (2) Agree to inform the District Council of Yankalilla that the approval of the Yankalilla, Normanville and Carrickalinga Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan. (3) Delegate authority to the Deputy Presiding Member to sign the gazettal notice.
66.9.1.1	<input type="checkbox"/>	Northern Areas	Northern Areas Council—Gladstone, Laura and Spalding flood mapping (196/20)—update	The Authority resolved to: (1) Approve a reduced contribution of \$50 000 to the Northern Areas Council for flood mapping of the Gladstone, Laura and Spalding townships (2) Delegate authority to the General Manager to, if necessary, negotiate a reduction in scope with the Northern Areas Council such that flood mapping is satisfactorily completed for any two of the above-named townships.

Res. No	Conf.	Applicant	Agenda Item	Resolution
66.9.2.1	<input type="checkbox"/>	Holdfast Bay	City of Holdfast Bay—Wattle Street gross pollutant trap (197/20)—update	The Authority resolved to approve a contribution to the City of Holdfast Bay of up to \$100 000 for the design and construction of a gross pollutant trap at Wattle Street, Hove.
66.9.3.1	<input type="checkbox"/>	UniA	University of Adelaide—Smart detention tanks (198/20)—update	The Authority resolved to support in-principle, research into smart detention tanks subject to: (a) Further discussions with the University of Adelaide and other stakeholders on the scope of the project (b) Consideration of broadening the range local government authorities involved in the project (c) Consideration of the possibility of retaining a field trial as part of the project (d) Formal commitment of the contribution(s) of funding partners
66.9.4.1	<input type="checkbox"/>	BHKCSB	Brown Hill and Keswick Creeks Stormwater Board—BHKC SMP works 2020-21 (201/20)	The Authority resolved to: (1) Approve a contribution of up to \$5.3 million to the Brown Hill Keswick Creek Stormwater Board for works to be undertaken in financial year 2020-21 as part of the Brown Hill Keswick Creek Stormwater Project (2) Agree to grant the contribution to the Brown Hill Keswick Creek Stormwater Board in advance, subject to a signed grant agreement (3) Note that the Authority's contribution towards the works in Victoria Park (Park 16)/Pakapakanthi will exceed \$4 million (but not exceed \$15 million) and that the project will need to be referred to and approved by the Public Works Committee of Parliament prior to making payment to the Brown Hill Keswick Creek Stormwater Board.
66.10.1.1	<input type="checkbox"/>		Flash flood warning infrastructure management	The Authority resolved to note the update on arrangements for the flash flood warning network and the commencement of the water resource monitoring optimisation project for metropolitan Adelaide.
66.10.2.1	<input type="checkbox"/>		Updating stormwater spatial data for metropolitan Adelaide	The Authority resolved to approve the engagement of a contractor to complete the update of the metropolitan Adelaide spatial stormwater data sets, to an upper limit of \$25 000.
66.10.4.1	<input type="checkbox"/>		LGA discussion paper: Improving stormwater management in South Australia	The Authority resolved to: (1) Note that the Discussion Paper is provided on a confidential basis and should remain confidential until it has been considered by the LGA Board and released for consultation (2) Agree to commit to working in partnership with state government, local government, and other stakeholders on meaningful improvements to governance, legislation and funding arrangements to support stormwater management in South Australia.
66.11.1.1	<input type="checkbox"/>		Grant funding arrangements	The Authority resolved to: (1) Note that it has the option of providing grant recipients with up-front payment if a suitable grant agreement is used (2) Agree to develop standard grant agreements (adapted from whole-of-government templates) (3) Agree that unless otherwise excepted by the Authority, any future applications for funding that are approved will require that a grant agreement is entered into with the recipient using one of the standard grant agreements.

Res. No	Conf.	Applicant	Agenda Item	Resolution
66.11.2.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Stormwater Project alternate claims arrangement	The Authority resolved to: (1) Exempt projects administered by the BHKC Stormwater Board, and being for works identified in the approved BHKC Stormwater Management Plan, from the requirements of the Stormwater Management Fund Applications and Claims Procedure (2) Approve the alternate process outlined for managing claims made by the BHKC Stormwater Board for the BHKC Stormwater Project.
66.11.3.1	<input type="checkbox"/>		End of financial year position	The Authority resolved to note the 2019-20 end of financial year position for the Stormwater Management Fund
66.11.4.1	<input type="checkbox"/>		Service level agreement and resource requirements	The Authority resolved to: (1) Note the scope of services currently provided by the Department for Environment and Water under the service level agreement for 2018-19 and 2019-20 (2) Note the development of a number of alternate models for staff and outsourcing to meet the predicted resource requirements of the Authority (3) Endorse the functions inherent in the models for staff and outsourcing for the purpose of the General Manager advancing negotiations with the Department for Environment and Water for a new service level agreement for the 2020-21 and 2021-22 financial years (4) Request that the General Manager provide further definition of the nature of resourcing applicable to models 3, 4 and 5 and how work proposed for stormwater management planning can be achieved.
Meeting 65, Tuesday, 5 May 2020				
65.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 6 February 2020 to 28 April 2020.
65.5.2	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note that the General Manager would provide a report on the Authority's resourcing requirements at the next meeting.
65.7.2.1	<input type="checkbox"/>		GRFMA update and Gawler River Stormwater Management Plan	The Authority resolved to: (1) Reiterate to the Gawler River Floodplain Management Authority (GRFMA) the benefits of preparing a stormwater management plan for the Gawler River (or section of the river) (2) Suggest that the GRFMA submit an application to the Authority for funding support for the preparation of a stormwater management plan for Gawler River, and advise the GRFMA that such an application would be considered expediently (3) Advise the GRFMA that—as part of its application for funding for a stormwater management plan—it should identify aspects of work (including survey and design) that might need early funding, for the consideration of the Authority.

Res. No	Conf.	Applicant	Agenda Item	Resolution
65.7.2.2	<input type="checkbox"/>		GRFMA update and Gawler River Stormwater Management Plan	The Authority resolved to request that the General Manager draft correspondence for the Presiding Member to convey to GRFMA the Authority's resolution on a stormwater management plan for Gawler River, and to make an offer to attend a meeting of the GRFMA to discuss ways in which the Authority can support the GRFMA.
65.8.1.1	<input type="checkbox"/>		Status of Stormwater Management Plans	The Authority resolved to: (1) Note the status of the preparation of high-priority SMPs (2) Note the status of the preparation of other supported SMPs.
65.9.1.1	<input type="checkbox"/>	Holdfast Bay	City of Holdfast Bay—Wattle Avenue gross pollutant trap (197/20)	The Authority resolved to: (1) Agree in-principle to provide funding support for the design of a GPT for the Wattle Street catchment (2) Request that the General Manager work with the City of Holdfast Bay to cost the design component of the project and bring a revised contribution for consideration and approval by the Authority at a subsequent meeting (3) Agree to inform the City of Holdfast bay that funding support for the construction of the GPT at Wattle Street is not guaranteed and is contingent on approval of the design for the GPT in the Wattle Street Catchment.
65.9.2.1	<input type="checkbox"/>	Mitcham	City of Mitcham—Smart detention storage tanks (198/20)	The Authority resolved to defer consideration of application 179/20 and instigate discussion with the City of Mitcham on the scope of the project.
65.9.3.1	<input type="checkbox"/>	Victor Harbor	City of Victor Harbor—Victor Harbor Stormwater Management Plan (199/20)	The Authority resolved to approve a contribution of up to \$100 000 to the City of Victor Harbor for the Victor Harbor Stormwater Management Plan.
65.9.4.1	<input type="checkbox"/>		Bureau of Meteorology—Rain and river monitoring (2018-19 to 2019-20) to assist local government in flash flood management (200/20)	The Authority resolved to: (1) Approve a total contribution of up to \$187 420 towards rain and river monitoring to assist local government flash flood management (2018/19 and 2019/20) (2) Exempt the Bureau of Meteorology from the requirement of the Stormwater Management Fund Guide for Applicants to provide a quarterly progress report, and accept an annual progress report.
65.11.1.1	<input type="checkbox"/>		Preparation of financial statements	The Authority resolved to delegate authority to the General Manager to enter into an agreement with Bentley's for the preparation of the Authority's financial statement as per their proposal provided and the rules of the South Australian Government panel contract for audit and financial advisory services.
65.11.2.1	<input type="checkbox"/>		Extension of service level agreement with the Department for Environment and Water	The Authority resolved to: (1) Agree to an interim extension of the service level agreement with the Department for Environment and Water for a period of up to six-months while a new agreement is negotiated. (2) Delegate authority to the Presiding Member to sign and send the attached correspondence to the Chief Executive of the Department for Environment and Water. (3) Request that the General Manager prepare a briefing on the potential staffing requirements of the Authority for discussion at the next meeting.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 64, Thursday, 13 February 2020				
64.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 13 June 2019 to 27 September 2019.
64.6.1.1	<input type="checkbox"/>		Alternative Water Supply Efficiency Measures	The Authority resolved to note the progress update of the Alternative Water Supply Efficiency measures project.
64.7.1.1	<input type="checkbox"/>	BHKCSB	Brown Hill Keswick Creek Stormwater Project—Update	The Authority resolved to: (1) Defer a decision on the updated alternate process for managing claims by the Brown Hill and Keswick Creek Stormwater Project. (2) Note the indicative 20-year Works Schedule and project funding summary for the Brown Hill and Keswick Creek Stormwater Project at 31 December 2019.
64.8.1.1	<input type="checkbox"/>		Status of Stormwater Management Plans	The Authority resolved to note the status of the preparation of High-Priority SMPs.
64.9.1.1	<input type="checkbox"/>	Lower Eyre Peninsula	District Council Lower Eyre Peninsula—Coffin Bay Stormwater Management Plan (194/20)	The Authority resolved to approve the application for funding from the District Council of Lower Eyre Peninsula for a reduced amount of \$30 000 and recommend that Council seeks the involvement of and funding from the local NRM Board.
64.9.2.1	<input type="checkbox"/>	Elliston	District Council of Elliston – Elliston Stormwater Improvement (195/20)	The Authority resolved to refuse the application for funding from the District Council of Elliston and recommend that the Council consider completing a Stormwater Management Plan for the area.
64.9.3.1	<input type="checkbox"/>	Northern Areas	Northern Areas Council—Flood Modelling and Mapping (196/20)	The Authority resolved to defer the application for funding for the Northern Areas Council Flood Modelling and Mapping Project.
Out-of-Session				
2020/1	<input type="checkbox"/>	BHKCSB	Brown Hill Keswick Creek Stormwater Project works 2019-20	The Authority resolved to approve a contribution of \$93 347.01 to the Brown Hill Keswick Creek Stormwater Board for works undertaken as part of the Brown Hill Keswick Creek Stormwater Project in the 2019-20 financial year.
2020/2	<input type="checkbox"/>		Mount Bold Dam upgrade--update	The Authority resolved to: (1) Note the update in relation to the SA Water Mt Bold Dam upgrade project (2) Delegate authority to the Presiding Member to sign and send the attached correspondence to the Minister for Environment and Water

Res. No	Conf.	Applicant	Agenda Item	Resolution
2020/3	<input type="checkbox"/>		Board observer arrangements	<p>The Authority resolved to:</p> <p>(1) Agree to discontinue the practice of regular bord observers and restrict attendance by observers to an invitational basis when issues being considered warrant their attendance</p> <p>(2) Agree to develop a regular communique to be issued as soon as practicable after each meeting of the Authority</p> <p>(3) Requests that the General Manager provide a report on the steps required to constitute the Stormwater Advisory Committee under Schedule 1A of the <i>Local Government Act 1999</i>.</p> <p>(4) Agree to inform SA Water and the Local Government Association of these changes and than them for their respective commitment to the Authority.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
---------	-------	-----------	-------------	------------

Year: 2019

Meeting 63, Thursday, 7 November 2019

63.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 13 June 2019 to 27 September 2019.
63.6.1.1	<input type="checkbox"/>		Review of Business Plan for 2018-2020	The Authority resolved to: (1) Note the status of the implementation of the business plan for 2018-2020. (2) Approve the revised timeframes and priorities for delivery of the business plan actions.
63.6.2.1	<input type="checkbox"/>		Stormwater Management Planning Guidelines—Update	The Authority resolved to: (1) Note the status of the revision of the Guidelines for Stormwater Management Planning. (2) Delegate authority to the Acting General Manager to initiate formal consultation with the Local Government Association on the Guidelines for Stormwater Management Planning and associated subsidiary guidance documents.
63.6.3.1	<input type="checkbox"/>		Work Prioritisations Framework—Update	The Authority resolved to endorse the draft Works Prioritisation Framework subject to it referring to and including the Stormwater Management Planning Guidelines.
63.6.4.1	<input type="checkbox"/>		End of Financial Year Position 2018-2019	The Authority noted the 2018-19 end of financial year position of the Stormwater Management Fund.
63.7.1.1	<input type="checkbox"/>	BHKCSB	Brown Hill Keswick Creek Stormwater Project—Payment for 2018-2019	The Authority resolved to: (1) Approve the payment of \$1,603,419.27 to the Brownhill and Keswick Creek Stormwater Board for costs incurred in the delivery of works identified in the Brownhill and Keswick Creeks Stormwater Management Plan for 2018-19 financial year. (2) Defer the exemption of the Brownhill and Keswick Creek Stormwater Project from the requirements of the Stormwater Management Fund Applications and Claims Procedure for subsidies paid in relation to the implementation of the approved Brownhill and Keswick Creeks Stormwater Management Plan, pending the provision of a detailed works program which describes the works that will be funded by the Authority for 2019/20 and future works.
63.8.1.1	<input type="checkbox"/>		Status of Stormwater Management Plans	The Authority resolved to note the status of the preparation of High-Priority SMPs.
63.8.2.1	<input type="checkbox"/>		First to Fifth Creek's Stormwater Management Plan—Update	The Authority resolved to note the report and recommendations by Southfront in the report entitled, Eastern Suburbs Catchments Future Directions for Stormwater Management Planning.

Res. No	Conf.	Applicant	Agenda Item	Resolution
63.8.3.1	<input type="checkbox"/>	Yankalilla	Yankalilla, Normanville and Carrickalinga Stormwater Management Plan	The Authority resolved to defer approval of the Yankalilla, Normanville and Carrickalinga Stormwater Management Plan, subject to clarification regarding the hydrological analysis and the inclusion of priorities for action within the plan.
63.8.4.1	<input type="checkbox"/>	Copper Coast	Kadina Stormwater Management Plan	The Authority resolved to: (1) Approve the Kadina Stormwater Management Plan. (2) Agree to inform the District Council of the Copper Coast that the approval of Kadina Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan. (3) Delegate authority to the Presiding Member to sign the gazettal notice.
63.9.1.1	<input type="checkbox"/>	Norwood, Payneham & St Peters	City of Norwood, Payneham and St Peters-Third Creek from Bridge Street to Payneham Road (190/19—Update)	The Authority resolved to refuse the application for funding from the City of Norwood, Payneham and St Peters.
63.9.2.1	<input type="checkbox"/>	West Torrens	City of West Torrens – West Torrens Stormwater Management Plan (193/19)	The Authority resolved to: (1) Approve the application for funding of \$71,840 (excl. GST) as a contribution to the preparation of a Stormwater Management Plan for the West Torrens Catchment. (2) Note the Plan will be prepared in accordance with the Stormwater Management Planning Guidelines.
Meeting 62, Wednesday, 19 June 2019				
62.3.1	<input type="checkbox"/>		Minutes of previous meeting	The Authority resolved to attach minutes of Meeting 61 (which was inquorate) to the minutes of Meeting 62.
62.5.1	<input type="checkbox"/>		General Manager's report	The Authority resolved to note the General Manager's report for the period from 10 April 2019 to 12 June 2019.
62.6.1.1	<input type="checkbox"/>		Stormwater management planning priorities—update	The Authority resolved to note the status of revising the stormwater management planning priorities.
62.6.2.1	<input type="checkbox"/>		Works prioritisation framework	The Authority resolved to: (1) Note the draft Works Prioritisation Framework provided (2) Request that the General Manager provide a worked example of how the Works Prioritisation Framework might be applied (3) Request that the General Manager provide a report of options for resourcing and governance of the Works Prioritisation Framework.
62.7.1.1	<input type="checkbox"/>		BHKC Stormwater Project—update	The Authority resolved to note the update in the status of implementation of the Brown Hill and Keswick Creeks Stormwater Project.

Res. No	Conf.	Applicant	Agenda Item	Resolution
62.8.1.1	<input type="checkbox"/>		Status of SMPs	The Authority resolved to: (1) Note the status of the preparation of high-priority SMPs (2) Note the status of the preparation of other supported SMPs.
62.8.2.1	<input type="checkbox"/>		Whyalla Stormwater Management Plan	<u>The Authority resolved to:</u> (1) Approve the Whyalla Stormwater Management Plan subject to the following condition: <u>a. That the Whyalla City Council completes the Stormwater Harvesting and Reuse Strategy recommended in the SMP and provides the strategy to the Authority for approval within 18-months of the date of publication of the approval of the SMP in the SA Government Gazette.</u> (2) Agree to inform the Whyalla City Council that in accordance with section 19 of the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> , that if the above condition (a) is not satisfied, then the approval will be taken to have lapsed. (3) Agree to inform the Whyalla City Council that the approval of the Whyalla Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan. (4) Delegate authority to the Deputy Presiding Member to sign the gazettal notice.
62.9.1.1	<input type="checkbox"/>	Norwood, Payneham & St Peters	City of Norwood, Payneham and St Peters—Third Creek upgrade (Bridge Road to Payneham Road) (190/19)	The Authority resolved to defer a decision on application 190/19 pending, in the first instance, the tabling of the Southfront report on a recommended approach to stormwater management planning in the First to Fifth Creeks.
62.10.1.1	<input type="checkbox"/>		Twenty-year infrastructure strategy	The Authority resolved to: (1) Note the correspondence received from the Chief Executive, Department for Environment and Water (DEW), regarding the twenty-year infrastructure strategy (2) Note that the General Manager provided input to the DEW portfolio-based infrastructure strategy.
62.10.2.1	<input type="checkbox"/>		Planning and Design Code: flood hazard requirements	The Authority resolved to: (1) Note the issued raised regarding flood hazard and stormwater management requirements in the Planning and Design Code (2) Request that the General Manager hold further discussions with DEW and provide an updated proposal out-of-session.
62.11.1.1	<input type="checkbox"/>		Payment model for BHKC Stormwater Project	The Authority resolved to: (1) Exempt projects administered by the Brown Hill and Keswick Creeks Stormwater Board (BHKCSB), and being for works identified in the approved Brown Hill and Keswick Creeks Stormwater Management Plan, from the requirements of the Stormwater Management Fund Applications and Claims Procedure. (2) Approve in-principle the alternate process outlined for managing claims made by the BHKCSB.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 60, Wednesday, 20 February 2019				
60.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 10 November 2018 to 13 February 2019.
60.6.1.1	<input type="checkbox"/>		SMF cash flows and borrowing	The Authority resolved to note the varying impact on the capacity of the SMF arising from the alternate scenarios presented for funding the Port Road drainage project stage 3 works and other pending, deferred and anticipated funding applications.
60.6.1.2	<input type="checkbox"/>		SMF cash flows and borrowing	The Authority resolved to request that the General Manager draft a Minute to the Treasurer from the Minister for Environment and Water requesting approval for the Authority to borrow money in accordance with Schedule 1A of the Local Government Act 1999 and, in that Minute, recommend that: 1) The total borrowings not exceed \$5 million (without further approval from the Treasurer) 2) The approval stands for the life of the SMF.
60.6.2.1	<input type="checkbox"/>		Application of SMF subsidies to asset renewal projects	The Authority resolved to note the discussion paper on the subject of applying SMF subsidies for stormwater asset renewal.
60.6.2.2	<input type="checkbox"/>		Application of SMF subsidies to asset renewal projects	The Authority resolved to request that the General Manager provide a report on criteria for funding capital works projects which can form a basis for consultation with the Local Government Association.
60.6.3.1	<input type="checkbox"/>		Stormwater Management Planning Guidelines—Update	The Authority resolved to note the status of revision of the Stormwater Management Planning Guidelines.
60.8.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high-priority SMPs.
60.8.2.1	<input type="checkbox"/>		First to Fifth Creeks SMP—Update	The Authority resolved to request that the General Manager proceed with commissioning a scoping study of the First to Fifth Creeks catchments per the fee estimate provided of \$18 720 (excluding GST).
60.9.1.1	<input type="checkbox"/>	Holdfast Bay	City of Holdfast Bay—Edwards Street drainage upgrade (design) (183/18)—Update	The Authority resolved to decline a contribution of \$13 610 towards investigation of drainage options for Edwards Street, South Brighton.
60.9.2.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt—Port Road Drainage Project stage 3 works (184/18)—Update	The Authority resolved to note that the information requested on the renewal cost component and upgrade cost component of the Port Road Drainage Project stage 3 works has been provided by the City of Charles Sturt.

Res. No	Conf.	Applicant	Agenda Item	Resolution
60.9.2.2	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt—Port Road Drainage Project stage 3 works (184/18)—Update	<p>The Authority resolved to:</p> <p>(1) Approve in principle a contribution towards the Port Road Drainage Project stage 3 works of 40% of the cost of the works.</p> <p>(2) Agree to approve a final contribution of not more than \$8.2 million following the completion of a successful tender process by the City of Charles Sturt.</p> <p>(3) Subject to the above, delegate authority to the General Manager to negotiate a schedule of payments with the City of Charles Sturt that can be accommodated within the capacity of the Stormwater Management Fund.</p> <p>(4) Note that payment of any subsidies to the City of Charles Sturt will be contingent on an approval by the Parliamentary Public Works Committee and agree to advise the City of Charles Sturt of such.</p>
60.9.3.1	<input type="checkbox"/>	Mount Barker	District Council of Mt Barker—Hahndorf Stormwater Management Plan (184/18)	<p>The Authority resolved to agree in-principle to support the development of a Stormwater Management Plan for Hahndorf subject to:</p> <p>(1) The identification of a program for, and demonstrated commitment by, the District Council of Mount Barker to collect the necessary prerequisite stormwater asset data for the town.</p> <p>(2) Further advice from the District Council of Mount Barker on how it might complement an SMP for Hahndorf with actions to reduce the impacts of riverine flooding from Hahndorf Creek and the Onkaparinga River with due regard given to building community resilience.</p>
60.9.4.1	<input type="checkbox"/>	Tumby Bay	District Council of Tumby Bay—Tumby Bay flood mitigation works (186/19)	<p>The Authority resolved to:</p> <p>(1) Approve a contribution of up to \$975 882 to the Tumby Bay flood mitigation works project.</p> <p>(2) Delegate authority to the General Manager to negotiate a payment schedule with the District Council of Tumby Bay.</p>
60.10.1.1	<input type="checkbox"/>		Requirements of AASB 124 Related Party Disclosures	The Authority resolved to note the information and guidance provided on the requirements of AASB 124 Related Party Disclosures.
60.10.2.1	<input type="checkbox"/>		Collation of actions from SMPs	<p>The Authority resolved to:</p> <p>(1) Note that the collation of actions and recommendations from approved SMPs has been completed.</p> <p>(2) Note that the collated data provides the basis for a discussion with councils on the currency, relevance and status of implementation of SMPs and related stormwater management initiatives.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
Out-of-Session				
2019/1	<input type="checkbox"/>		Resolution of business of meeting 61	<ol style="list-style-type: none"> 1. The Authority resolved to note the activity report for the period from 14 February 2019 to 10 April 2019. 2. The Authority resolved to: <ol style="list-style-type: none"> (1) Endorse the recommended approach to reviewing the Priorities for Stormwater Management Planning in South Australia 2016–2020 (2) Approve the draft discussion paper attached to be issued for consultation 3. The Authority resolved to note the status of the preparation of high-priority SMPs. 4. The Authority resolved to: <ol style="list-style-type: none"> (1) Approve a contribution of up to \$135 000 to the City of Port Adelaide Enfield for the Barker Inlet Stormwater Management Plan (2) Request that the General Manager work with the City of Port Adelaide Enfield on the project specification prepared by the City of Port Adelaide Enfield. 5. The Authority resolved to: <ol style="list-style-type: none"> (1) Approve a contribution of up to \$30 000 to the Adelaide Plain Council for planning and design of a levee around the town of Two Wells (2) Agree to advise the Adelaide Plains Council that construction of the levee should be funded by those who will benefit from it, and that the Authority does not expect to make a contribution towards the construction of the levee. 6. The Authority resolved to delegate authority to the Presiding Member to approve the draft communication plan for internal use. 7. The Authority resolved to: <ol style="list-style-type: none"> (1) Note the status of recruitment of a Technical Adviser (2) Approve in-principle the alternative approach of accessing technical resources through a panel contract or contracts with multiple suppliers (3) Request that the General Manager prepare an Acquisition Plan for engaging service providers in accordance with DEW procurement policy.

(2) Request that the General Manager work with the Adelaide Hills Council on the project specification prepared by the Adelaide Hills Council.

Res. No	Conf.	Applicant	Agenda Item	Resolution
2019/3	<input type="checkbox"/>	Whyalla	Whyalla stormwater management plan	<p>1. The Authority resolved to rescind resolution 62.8.2.1 made at meeting 62 on 19 June 2019.</p> <p>2. The Authority resolved to:</p> <p>(1) Approve the Whyalla Stormwater Management Plan (SMP) subject to the following conditions:</p> <p>(a) That the Whyalla City Council consults with the Department of Planning, Transport and Infrastructure (DPTI) as necessary to prepare a preliminary design for roadworks that reduce the flood risk to the Lincoln Highway to a level that is acceptable to DPTI, and presents the preliminary design to the Authority for approval within 12-months of the date of publication of the approval of the SMP in the SA Government Gazette.</p> <p>(b) That the Whyalla City Council completes the Stormwater Harvesting and Reuse Strategy recommended in the SMP and provides the strategy to the Authority for approval within 18-months of the date of publication of the approval of the SMP in the SA Government Gazette.</p> <p>(2) Agree to inform the Whyalla City Council that in accordance with section 9 of the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i>, that if any one of the above conditions (a) or (b), without variation by the Authority, are not satisfied, then the approval of the Whyalla SMP will be taken to have lapsed.</p> <p>(3) Agree to inform the Whyalla City Council that the approval of the Whyalla Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan.</p> <p>(4) Delegate authority to the Deputy Presiding Member to sign the gazettal notice.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
Year:				2018
Meeting 59, Tuesday, 20 November 2018				
59.5.1	<input type="checkbox"/>		General Manager's report	The Authority resolved to note the General Manager's report for the period from 20 September 2018 to 9 November 2018.
59.5.2	<input type="checkbox"/>		General Manager's Report	The Authority resolved to request that the General Manager negotiate a schedule of anticipated payments with the Brown Hill and Keswick Creek Stormwater Board and provide a report to the Board.
59.8.1	<input type="checkbox"/>		Stormwater Management Plans	The Authority resolved to note the status of the preparation of high-priority SMPs.
59.8.2	<input type="checkbox"/>		Stormwater Management Plans	The Authority resolved to request that the General Manager provide a report on bringing forward a review of the Priorities for Stormwater Management Planning in South Australia 2016-2020.
59.9.1.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt—Port Road Drainage Project (157/16)—Variation	The Authority resolved to decline to fund the shortfall in DPTI payments to the City of Charles Sturt for the replacement of DPTI-owned assets.
59.9.2.1	<input type="checkbox"/>	BHKCSP	Brown Hill Keswick Creek Stormwater Project—Brown Hill Keswick Creek SMP (Part B) (130/13)—Variation	The Authority resolved to: (1) Note its earlier resolution 39.1.1 in relation to any further applications for community consultation relevant to the Brown Hill and Keswick Creek SMP (part B process) and the advice conveyed to the Brown Hill and Keswick Creek Stormwater Project. (2) Decline to approve the variation request for application 130/13 to increase the approved subsidy from \$380 000 by \$241 471 to \$621 471. (3) Inform the Brown Hill and Keswick Creeks Stormwater Board of the need for future claims related to the implementation of the Brown Hill and Keswick Creek SMP to be documented and managed in a timely manner.
59.9.3.1	<input type="checkbox"/>	Playford	City of Playford—Various SMPs (174/18 to 176/18)—Extension of timeline	The Authority resolved to: (1) Agree to extend the timeline for delivery of the Smith Creek Stormwater Management Plan (application 174/18) to June 2020. (2) Agree to extend the timeline for delivery of the Adams Creek and Helps Road Drain Stormwater Management Plan (application 175/18) to June 2020. (3) Agree to extend the timeline for delivery of the Greater Edinburgh Parks and St Kilda Stormwater Management Plan (application 176/18) to June 2020.
59.9.4.1	<input type="checkbox"/>	Holdfast Bay	City of Holdfast Bay—Edwards Street Drainage Upgrade (design) (183/18)	The Authority resolved to defer a decision on application 183/18 pending further advice on the nature and extent of the flooding problem around Edwards Street, South Brighton.

Res. No	Conf.	Applicant	Agenda Item	Resolution
59.9.5.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt—Port Road Drainage Project stage 3 works (184/18)	The Authority resolved to: (1) Seek information from the City of Charles Sturt on the respective asset replacement costs versus asset upgrade costs related to the stage 3 works. (2) Defer a decision on application 184/18 pending the outcome of (1) above and a report to the Board on Stormwater Management Fund capacity pursuant to resolution 59.5.2.
59.9.6.1	<input type="checkbox"/>	Port Lincoln	City of Port Lincoln—Port Lincoln SMP update (177/18)—Update	The Authority resolved to decline to contribute to the update of the Port Lincoln Stormwater Management Plan.
59.9.7.1	<input type="checkbox"/>	Alexandrina	Alexandrina Council—Port Elliot Stormwater Management plan (97/11)—Withdrawal of Funding	The Authority resolved to withdraw the offer of funding made under application 97/11 to Alexandrina Council.
59.10.1.1	<input type="checkbox"/>		Audit of the Stormwater Management Authority for 2017-18	The Authority resolved to: (1) Note the outcomes of the audit of the Stormwater Management Authority by the Auditor-General's Department for the financial year ended 30 June 2018. (2) Endorse the management response provided to the Auditor-General.
59.10.3.1	<input type="checkbox"/>		Extensions for approved SMF subsidies	The Authority resolved to approve minor amendments to the Stormwater Management Fund Applications and Claims Procedure regarding the extension of previously approved applications.
59.11.1.1	<input type="checkbox"/>		Service Level Agreement with the Department for Environment and Water	The Authority resolved to: (1) Agree to the variations proposed to the service level agreement between the Authority and DEW for the 2018-19 and 2019-20 financial years. (2) Delegate authority to the Presiding Member to send attached correspondence to the Chief Executive of DEW.
Meeting 58, Wednesday, 26 September 2018				
58.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 19 July 2018 to 19 September 2018.

Res. No	Conf.	Applicant	Agenda Item	Resolution
58.5.1.1	<input type="checkbox"/>		SMF deficit management	<p>The Authority resolved to:</p> <p>(1) Endorse in-principle a thirty-six-month suspension of new Stormwater Management Fund (SMF) subsidies with the exception of:</p> <p>(a) Those applications being considered at the current meeting.</p> <p>(b) Any application received for the express purpose of preparing a Stormwater Management Plan for the Hindmarsh-Enfield-Prospect catchment.</p> <p>(c) Any application received for the express purpose of preparing a Stormwater Management Plan for the town of Renmark.</p> <p>(d) Any application received for a Stormwater Management Plan considered to be of a high-priority.</p> <p>(e) Any application received for construction of the Port Road Drainage Project stages 3 and 4.</p> <p>(2) Agree to review the suspension after six-months and then every six-months after that.</p> <p>(3) Defer pursuing Stormwater Management Plans for the Brown Hill Keswick 'urban creeks' and for the town of Virginia at this time.</p> <p>(4) Note the continuing need to pursue a long-term and sustainable stormwater management funding strategy.</p> <p>(5) Request that the Presiding Member and General Manager provide advice to the Minister for Environment and Water on the Authority's intended response to the potential shortfall in the SMF.</p>
58.5.2.1	<input type="checkbox"/>		SMA risk management	<p>The Authority resolved to:</p> <p>(1) Note the risks captured in the draft risk register</p> <p>(2) Note that the risk register, as updated, will be included in future General Manager's Reports to the Board.</p>
58.6.1.1	<input type="checkbox"/>		Landscape SA reform	<p>The Authority resolved to:</p> <p>(1) Approve the Authority's submission to the Landscape SA reform (subject to amendments noted).</p> <p>(2) Delegate authority to the Presiding Member to sign the attached correspondence to The Independent Facilitator, Landscape Reform (subject to the amendments noted).</p>
58.7.1.1	<input type="checkbox"/>		High-priority SMPs	<p>The Authority resolved to note the status of the preparation of high-priority SMPs.</p>
58.7.2.1	<input type="checkbox"/>	Campbelltown	Eastern Suburbs SMP	<p>The Authority resolved to:</p> <p>(1) Decline to reimburse Campbelltown City Council \$58 000 for application 103/11.</p> <p>(2) Agree to withdraw the offer of funding made to the Campbelltown City Council under application 103/11 for the Eastern Suburbs SMP.</p> <p>(3) Agree in-principle to fund a scoping study to plan for the development of up to five separate Stormwater Management Plans for First Creek to Fifth Creek respectively.</p>
58.10.1.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt—West Lakes SMP (180/18)	<p>The Authority resolved to:</p> <p>(1) Approve a total contribution of up to \$250 000 towards the West Lakes Stormwater Management Plan.</p> <p>(2) Agree to consider a variation to this contribution subject to the satisfactory completion of a tender process.</p> <p>(3) Request that the City of Charles Sturt approach Green Adelaide for a funding co-contribution if and at a time that such an option becomes available.</p> <p>(4) Agree to reduce the Authority's contribution proportionately in the event that a funding contribution from Green Adelaide becomes available.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
58.10.2.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Clare and Gilbert Valleys Council—Clare SMP (181/18)	The Authority resolved to approve a total contribution of up to \$72 500 towards the Clare Stormwater Management Plan.
58.10.3.1	<input type="checkbox"/>	Port Lincoln	City of Port Lincoln—Liverpool Street Pump Station (182/18)	The Authority resolved to: (1) Approve a total contribution of up to \$2 225 000 towards replacement of the Liverpool Street Pump Station. (2) Request that the City of Port Lincoln furnish the Authority with information on: (a) What provision(s) it has made in its Asset Management Plan(s)/Long Term Financial Plan for the replacement of the existing Pump Station. (b) What provision(s) it has made its Asset Management Plan(s)/Long Term Financial Plan for the future replacement of the proposed Pump Station. (c) What planning controls it has established or proposes to establish for future development and/or redevelopment within the Port Lincoln CBD to address flood hazard.
58.11.1.1	<input type="checkbox"/>		Amendments to SMA Policies and Procedures	The Authority resolved to approve minor amendments to the Authority's policies and procedures to: (1) Replace reference to the "Minister for Environment and Conservation" with reference to the "Minister for Environment and Water" (2) Replace reference to the "Department of Environment, Water and Natural Resources" (or "DEWNR") with reference to the "Department for Environment and Water" (or "DEW") (3) Replace reference to the "DEWNR Service Level Agreement" with reference to the "DEW Service Level Agreement" (4) Remove reference to the Service Level Agreement with the Department for Planning, Transport and Infrastructure.
58.11.2.1	<input type="checkbox"/>		Risk Management Policy and Procedure	The Authority resolved to: (1) Approve the Risk Management Policy and Risk Management Procedure (2) Delegate authority to the Presiding Member to endorse the Risk Management Policy and Risk Management Procedure.
58.11.3.1	<input type="checkbox"/>		SMA Business Plan 2018-2020	The Authority resolved to: (1) Endorse the revised Business Plan for the period 2018–2020 (subject to the amendments noted). (2) Delegate authority to the Presiding Member to sign the Business Plan. (3) Delegate authority to the Presiding Member to sign the attached correspondence to the Minister for Environment and Water seeking approval of the Authority's Business Plan. (4) Delegate authority to the Presiding Member to sign the attached correspondence to the President of the Local Government Association seeking approval of the Authority's Business Plan.

Res. No	Conf.	Applicant	Agenda Item	Resolution
58.11.4.1	<input type="checkbox"/>		SMA Annual Report 2018	The Authority resolved to: (1) Approve the Annual Report for the Stormwater Management Authority for the financial year ended 30 June 2018. (2) Delegate authority to the Presiding Member to sign the Annual Report. (3) Delegate authority to the General Manager to transmit the Annual Report to the Minister for Environment and Water and the President of the LGA.

Meeting 57, Wednesday, 25 July 2018

57.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 26 May 2018 to 18 July 2018.
57.5.1.1	<input type="checkbox"/>		End of 2017-18 financial year	The Authority resolved to note the 2017-18 end of financial year position for the Stormwater Management Fund.
57.5.2.1	<input type="checkbox"/>		Attendance at Floodplain Management Australia National Conference	The Authority resolved to note the report of the General Manager's attendance at the 2018 FMA National Conference.
57.6.1.1	<input type="checkbox"/>		Governance of the flood warning network in South Australia—Update	The Authority resolved to: (1) Note the reply correspondence received from the Chair of the State Government Flood Working Group in relation to governance of the flood warning network in South Australia. (2) Note that the Chair of the Flood Working Group has agreed to keep the Authority advised of both progress towards resolution of governance issues and preparation of a state Flood Warning Infrastructure Plan.
57.6.2.1	<input type="checkbox"/>		Quantifying the future stormwater infrastructure requirements of metropolitan Adelaide—Update	The Authority resolved to note the report entitled Adelaide Metropolitan Area Stormwater Infrastructure Valuation Review.
57.6.3.1	<input type="checkbox"/>		Adelaide and Mt Lofty Ranges Natural Resources Management Board—Stormwater Management Plan grant agreements with local government authorities	The Authority resolved to: (1) Note the correspondence received from the Regional Director Adelaide and Mt Lofty Ranges, Department for Environment and Water, regarding Stormwater Management Plan grant agreements with local government. (2) Delegate authority to the General Manager to sign and send reply correspondence.
57.7.1	<input type="checkbox"/>		Stormwater Management Plans	The Authority resolved to note the status of preparation of high-priority SMPs.
57.12.1.1	<input type="checkbox"/>		Board portal for SMA	The Authority resolved to: (1) Support the implementation of a Board Portal for the Authority (2) Delegate authority to the General Manager to procure a Board Portal to a value of \$13 000 (excluding GST) (subject to a procurement process that satisfies Department for Environment and Water procurement requirements).

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 56, Wednesday, 6 June 2018				
56.4.1.1	<input type="checkbox"/>		Request to meet with Minister for Environment and Water	The Authority resolved to note the correspondence sent to the Minister for Environment and Water by the Presiding Member.
56.5.1	<input type="checkbox"/>		General Manager's Report	The Authority resolved to note the General Manager's report for the period from 15 March 2018 to 25 May 2018.
56.6.2.1	<input type="checkbox"/>		Stormwater Management Planning Guidelines—Update	The Authority resolved to: (1) Delegate authority to the General Manager to consult with the Local Government Association on the draft Stormwater Management Planning Guidelines. (2) Note that following consultation with the Local Government Association the draft Stormwater Management Planning Guidelines, amended as necessary, will be tabled at a Board Meeting for endorsement before formally seeking the approval of the Minister for Environment and Water.
56.7.1.1	<input type="checkbox"/>		High-priority SMPs	The Authority resolved to note the status of the preparation of high priority SMPs.
56.7.2.1	<input type="checkbox"/> Light		Freeling Stormwater Management Plan	The Authority resolved to: (1) Approve the Freeling Stormwater Management Plan. (2) Agree to inform the Light Regional Council that the approval of the Freeling Stormwater Management Plan in accordance with the <i>Local Government (Stormwater Management Agreement) Amendment Act 2016</i> does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the Plan. (3) Delegate authority to the Presiding Member to sign the gazettal notice.
56.7.3.1	<input type="checkbox"/> Light		Greenock Stormwater Management Plan	The Authority resolved to: (1) Approve the Greenock Stormwater Management Plan. 47.9.2	<input type="checkbox"/>	Holdfast Bay	Project 150-14, City of Holdfast Bay – Design of Major Flow Path Outfall at Tarlton Street, Somerton Park	The Authority resolved to approve a contribution of up to \$35,000 for the Design of Major Flow Path Outfall at Tarlton Street project.

Res. No	Conf.	Applicant	Agenda Item	Resolution
47.10.1	<input type="checkbox"/>		BHKCP Stormwater Management Plan	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Approve the Brown Hill and Keswick Creek Stormwater Management Plan subject to agreement by SMA members on the final wording of approval conditions relating to the regional subsidiary and the use of voluntary land-owner agreements out of session. • Approve for the following wording for the conditions to be considered by the Crown Solicitor before being formally endorsed by SMA members out of session: <ul style="list-style-type: none"> • The Councils establish a regional subsidiary pursuant to section 43 of the Local Government Act 1999 to carry out the implementation and management of the Stormwater Management Plan, through the: <ul style="list-style-type: none"> • preparation of a charter for the regional subsidiary and relevant legal and financial due diligence; • formal endorsement of the charter by the Councils; and • execution of the charter and formation of the regional subsidiary. • The regional subsidiary is established by the latter of 30 June 2017 or, within twelve (12) calendar months of the date of a formal announcement by the South Australian government of a financial allocation to the construction of works specified in the Stormwater Management Plan. The timeframe for this condition can be renegotiated as required. • In order to meet the requirements of section 24(2) of Schedule 1A of the Local Government Act 1999, the regional subsidiary or the relevant council shall acquire an easement or other appropriate interest over the relevant land or in accordance with the Land Acquisition Act 1969 to enable the construction and ongoing maintenance, by the regional subsidiary or the relevant council, of infrastructure specified in the Stormwater Management Plan, where a private land-owner agreement is unable to be negotiated in a form that allows sufficient authority for the required construction and ongoing maintenance and such authority accompanies any future transfer of the land to another owner. The action required for this condition must be undertaken by 31 December 2050. • Delegate responsibility for discussing the conditions, as formally approved by the SMA out of session, with the Brown Hill and Keswick Creek catchment councils to the Presiding Member. • Subject to discussions with the catchment councils on the conditions of approval, delegate responsibility for the Gazettal of the SMA's approval of the plan to the Presiding Member and General Manager. • Agree to ongoing monitoring of the need for additional rehabilitation works for other creeks across the catchment through the detailed design phase and as individual works components return to the Authority for approval. • Note DEWNR's review of the cost benefit assessment in the plan and agree to monitor the costs and benefits of each of the major works as they return to the Authority for approval. • Note the importance of the early commencement of the proposed stormwater management plan for the urban catchments that flow into the Brown Hill and Keswick Creek system. • Note advice from the Adelaide and Mount Lofty Ranges Natural Resources Management Board that water quality outcomes can be addressed through the detailed design stage and agree to monitor water quality objectives through the implementation of the SMP. • Note that the previous work of the Authority on funding options has been used as the basis of advice to Cabinet on an overall funding commitment for the Brown Hill and Keswick Creek Stormwater Management Plan. • Note that each of the individual works projects in the Brown Hill and Keswick Creek Stormwater Management Plan will return to the Authority in due course for consideration, approval and subsequent advice to the Minister for Water and the River Murray.

Res. No	Conf.	Applicant	Agenda Item	Resolution
47.10.2	<input type="checkbox"/>		Auditor-General's Findings on BHKCP Examination	The Authority resolved to:- <ul style="list-style-type: none"> • Note the draft of the Auditor General's Report into the Brown Hill and Keswick Creek project. • Approve the draft formal response to the Auditor General's report, subject to a number of amendments.
47.11.1	<input type="checkbox"/>		Stormwater Management Plan Guidelines--Draft Consultation Paper	The Authority resolved to approve the consultation paper and its distribution to key stakeholders.
47.11.2	<input type="checkbox"/>		Priority Stormwater Management Plans--Progress	The Authority resolved to note the status of the preparation of stormwater management plans for priority catchments across South Australia.
47.12.1	<input type="checkbox"/>		Applications Summary	The Authority resolved to note the applications summary as at 30 June 2016.
47.13.1	<input type="checkbox"/>		SMA Resourcing and Proposed Service Level Agreements with DEWNR and DPTI	The Authority resolved to endorse new Service Level Agreements between the SMA and DEWNR and DPTI.

Meeting 46, Wednesday, 20 April 2016

46.6.1	<input type="checkbox"/>		Presiding Member's Brief	The Authority resolved to:- <ul style="list-style-type: none"> • Note the discussions that have occurred around governance and the confidential paper prepared by SA Water on the matter. • Participate in any further discussions on potential governance models for stormwater as appropriate. • Seek a written report for members on the key amendments made in the new Schedule 1A of the Local Government Act 1999.
46.7.1	<input type="checkbox"/>		Financial Report	The Authority resolved to:- <ul style="list-style-type: none"> • Note the Financial Reports, including cash held by the Local Government Finance Authority. • Note the 2015-2016 budget forecasts for approved projects. • Request further information on the cash flow for projects under the Stormwater Management Fund for 2015-16.
46.9.1	<input type="checkbox"/>	AMLRNRMB	Project 158-16, Water Sensitive SA – Capacity Building for Water Sensitive Urban Design	The Authority resolved to delay consideration of the application for Project 158-16 until its next meeting.
46.9.2	<input type="checkbox"/>	Port Lincoln	Project 159-16, City of Port Lincoln – Pt Lincoln Floodplain Mapping	The Authority resolved to approve a contribution of 50% of the final tender price, up to a total of \$75,000, towards the floodplain mapping of Port Lincoln project.
46.9.3	<input type="checkbox"/>	Port Lincoln	Project 160-16, City of Port Lincoln – flood mitigation option, Mortlock Terrace	The Authority resolved to approve a contribution of 50% of the final tender price, up to a total of \$35,000, towards Flood Mitigation Options, Mortlock Terrace.

Res. No	Conf.	Applicant	Agenda Item	Resolution
46.10.1	<input type="checkbox"/>		BHKCP SMP	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Request the preparation of integrated advice on the draft Brown Hill and Keswick Creek SMP across DEWNR, DPTI and the Adelaide and Mount Lofty Ranges NRM Board. • Reconsider the draft SMP at its next meeting. • Reschedule its next meeting to July to enable all Board members to participate in the deliberations on the Plan. <p><i>Erroneously recorded in Minutes of Meeting 46 as resolution 46.11.1</i></p>
46.10.2	<input type="checkbox"/>		Auditor-General's Findings on BHKCP Examination	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Note the draft of the Auditor General's Report into the Brown Hill and Keswick Creek project. • Agree for Julia Grant to meet with the Auditor General's Office to provide updated information on aspects of the report. • Agree that Stephen Hains, Julia Grant and Wally Iasiello would prepare an initial draft of a formal response once the updated report was received, for approval by all Board members out of session. <p><i>Erroneously recorded in Minutes of Meeting 46 as resolution 46.11.2</i></p>
46.11.1	<input type="checkbox"/>		Stormwater Management Guidelines Review	<p>The Authority resolved to note the current status of the review of the Stormwater Management Planning Guidelines.</p>
46.11.2	<input type="checkbox"/>		Process to Complete Stormwater Management Plans	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Agree for the Acting General Manager to write to relevant councils to seek a status report on SMPs under preparation. • Reconsider its approach to these plans at its next meeting.
46.12.1	<input type="checkbox"/>		Applications Summary	<p>The Authority resolved to note the applications summary as at 31 March 2016.</p> <p><i>Erroneously recorded in Minutes of Meeting 46 as resolution 44.12.1</i></p>
Meeting 45, Wednesday, 17 February 2016				
45.7.1	<input type="checkbox"/>		Financial Report	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Note and approve the Financial Reports, including cash held by the Local Government Finance Authority. • Note and approve the 2015-16 budget forecasts for approved projects. • Request a further update of financial information to provide more detail on a number of matters for future meetings.
45.9.1	<input type="checkbox"/>	Marion	Project 156-16, City of Marion – Waterfall Creek (Glade Crescent)	<p>The Authority resolved to decline to provide any funding to this project.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
45.9.2	<input type="checkbox"/>	Charles Sturt	Project 157-16, City of Charles Sturt – Port Road Drainage Project	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Approve the project in principle as per the scope outlined in the application and presented by the City of Charles Sturt. • Approve for Wally Iasiello and Bill Lipp (as agents for the Authority) to work with the City of Charles Sturt to finalise design, costings and tender documentation. • Approve that tenders for construction of the project as per the scope outlined in the application be called by the City of Charles Sturt based on a design, drawings and specification that have been approved by DPTI (as agent for the Authority). • Agree that the preferred tenderer be jointly agreed between Charles Sturt Council and DPTI (as agent for the Authority). • Agree that the Authority's financial commitment be based on a final estimated cost using the recommended tenderer's final tendered price. • Agree that the final estimated cost be determined based on the guidelines of the previous Catchment Management Subsidy Scheme and to the satisfaction of the Authority. • Agree that the period of time over which the City of Charles Sturt will be reimbursed for 50% of the cost of the project will be determined once the final estimated cost is known. • Note the potential for the project to require Cabinet approval, subject to the final costings revealed through tender.
45.11.1	<input type="checkbox"/>		Protocols and Process for Approval of SMPs	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Note the amendments required by the Public Finance Branch of the Department of Treasury and Finance to comply with Treasurer's Instruction No.8. 2.2 - Financial Authorisation and the impacts on existing processes of the SMA. • Note that Cabinet approval is required for projects where the SMA contribution exceeds \$11 million. • Note that Public Works Committee referral is required for projects in excess of \$4 million of SMA funding. • Endorse the proposed processes for the preparation and referral of projects to Cabinet and the PWC through the Minister for Water and the River Murray. • Agree to address the approval amendments for SMPs for T18 compliance as requested by DTF as part of the current review of the SMA's stormwater planning guidelines. • Agree for the Presiding Member to advise the Minister of the process for the staged approval of works in compliance with T18'.
45.11.2	<input type="checkbox"/>		Priority SMP Implementation	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Endorse the proposed process for supporting the development of high priority stormwater management plans across South Australia over the next three years. • Agree for Katharine Ward and Bill Lipp to review and simplify the Authority's application forms.

Res. No	Conf.	Applicant	Agenda Item	Resolution
45.11.3	<input type="checkbox"/>		Future SMA Work Program and Resourcing	<p>The Authority resolved to:-</p> <ul style="list-style-type: none"> • Note the draft work program. • Seek an update to progress against the work program at the next SMA Board meeting. • Agree for the Presiding Member and Julia Grant to develop a specific resourcing proposal for implementing the work program for the next meeting of the Authority. • Agree for SMA Board members to provide feedback on priority work within the program to Steve Morton.
45.12.1	<input type="checkbox"/>		Applications Summary	<p>The Authority resolved to note the applications summary as at 30 January 2015.</p> <p><i>Erroneously recorded in Minutes of Meeting 45 as resolution 44.12.1</i></p>

If the budgeted timelines demonstrated in the application is not achieved, the SMA will retain the right to defer any payment for a period of up to 12 months; • Request the City of Port Adelaide Enfield to undertake a Stormwater Management Plan for the Le Fevre Peninsula within the next two years, with particular attention to water quality prior to seeking any further funding for this project.
38.8.2	<input type="checkbox"/>	Playford	135-14 City of Playford – Adams Creek/ Helps Rd/ St Kilda	The Authority resolved to approve a total contribution of up to \$90,000 towards the Adams Creek / Helps Road Drain Floodplain Mapping project. If the budgeted timelines demonstrated in the application is not achieved, the SMA will retain the right to defer any payment for a period of up to 12 months.

Res. No	Conf.	Applicant	Agenda Item	Resolution
38.8.3	<input type="checkbox"/>	AMLRNRMB	136-14 Adelaide & Mt Lofty Ranges NRM Board - Brown Hill Creek Flow Gauging and Channel Roughness Determination – one year extension	The Authority resolved to approve a total contribution of up to \$13,000 towards Brown Hill Creek Flow Gauging and Channel Roughness Determination. If the budgeted timelines demonstrated in the application is not achieved, the SMA will retain the right to defer any payment for a period of up to 12 months.
38.8.4	<input type="checkbox"/>	Mount Barker	137-14 DC of Mt Barker – Mt Barker Stormwater Management Plan	The Authority resolved to:- <ul style="list-style-type: none"> • Request the District Council of Mt Barker to engage with SA Murray-Darling Basin NRM board for funding contribution towards this project; • Defer its decision on the application to the next meeting to enable the District Council of Mt Barker to advise on a third funding contribution from SA Murray- Darling Basin NRM board.
38.9.1	<input type="checkbox"/>	Port Lincoln	Port Lincoln SMP	The Authority resolved to:- <ul style="list-style-type: none"> • Approve the Port Lincoln Stormwater Management Plan; • Inform the councils that the approval of the Port Lincoln Stormwater Management Plan in accordance with the Local Government (Stormwater Management) Amendment Act 2007 does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the plan; • Agree and delegate the Presiding Member to sign the gazettal notice on approval.
38.10.1	<input type="checkbox"/>		Strategic issues	The Authority resolved to:- <ul style="list-style-type: none"> • Agree to start the development of its strategic plan immediately; • Agree that DEWNR lead the development of the strategic plan, with input from DPTI and the LGA, and a format structure of the strategic plan to be provided to the next meeting of the SMA Board.
38.10.2	<input type="checkbox"/>		Strategic issues	The Authority resolved to:- <ul style="list-style-type: none"> • Note the correspondence from the Minister for Water and the River Murray dated 3 December 2013; • Receive and note Mr. Bill Lipp’s paper on “Estimate for the likely cost of outstanding eligible stormwater drainage and flood mitigation works in South Australia”. • Refer Mr Bill Lipp’s paper to the Minister’s Joint Working Group and seek ongoing feedback from the working group on their progress.
38.10.3	<input type="checkbox"/>		Strategic issues	The Authority resolved to:- <ul style="list-style-type: none"> • Receive the report and preliminary drafting instructions; • Direct any feedback the SMA Board members have through the General Manager so they can be forwarded to DEWNR.
38.11.1	<input type="checkbox"/>		BHKCP	The Authority resolved to note the correspondence from:- <ul style="list-style-type: none"> • City of West Torrens dated 22 November 2014 on the 2012 Brown Hill & Keswick Creeks Project funding; • Email dated 5 February 2014 from Mr Terry Buss CEO of the City of West Torrens.

Res. No	Conf.	Applicant	Agenda Item	Resolution
38.11.2	<input type="checkbox"/>		BHKCP	<p>The Authority resolved to:</p> <ul style="list-style-type: none"> • Receive the report from Mr Michael Salkeld Project Director of the Brown Hill & Keswick Creeks Project (BHKCSP). • Note the verbal briefing from the BHKCSP Steering Committee representatives. • Note that the technical information (hydrology, DTM, hydraulic model details) that underlies the 2012 SMP and Part B investigations has changed and this will consequently reduce the size and cost (but not the scope or intent) of the Part A works and also allows more opportunity for lower key works to be included in the Part B investigations. • Request the BHKCSP Steering Committee provide a report on the Part B investigations to date, the cost incurred and likely additional expenditure required to complete the Part B investigations (excluding community consultation) prior to the next SMA meeting. • Request the BHKCSP Steering Committee provide a summary of likely changes to the 2012 Stormwater Management Plan (SMP), including the likely outcomes of the Part B investigations and a program of works and timeframes to complete a 2014 SMP prior to the next SMA meeting. • Request the BHKCSP Steering Committee provide the proposed Community Consultation Plan as well as the estimated cost and likely timeframes for that consultation prior to the next SMA meeting. • Request the BHKCSP Steering Committee to apply for funding support from the SMA for the estimated cost of the community consultation and any required additional funding to complete the Part B investigations and produce a consolidated 2014 SMP as soon as possible. • Reiterate that information previously requested from the BHKCSP Steering Committee (SMA meeting 4 September 2013) is still outstanding and that this information is now required prior to the next SMA meeting, in particular: <ul style="list-style-type: none"> • Timing and process for the formation of a regional subsidiary. • Timing and process for the implementation of the Part A works. • Receive the report from Mr John Comrie, SMA advisor, on the Brown Hill Creek & Keswick Creeks project report.
38.12.1	<input type="checkbox"/>		Application Summary	The Authority resolved to note the Applications Summary as at 19 February 2014.
38.13.1	<input type="checkbox"/>		Administration	<p>The Authority resolved to:</p> <ul style="list-style-type: none"> • Receive and note the Crown Solicitors advice dated 9 January 2014. • Agree that Mr Wally Iasiello act as Presiding Member in Mr Stephen Hains absence in April 2014. Mr Hains will write to inform the Minister for Water and the River Murray and request leave of absence. • Request that DEWNR include the role of deputy presiding member in the new set of drafting instructions for the legislative changes.

Res. No	Conf.	Applicant	Agenda Item	Resolution
---------	-------	-----------	-------------	------------

Year: 2013

Meeting 37, Wednesday, 6 November 2013

37.5.1	<input type="checkbox"/>			<p>The Authority resolved to approve the minutes of Meeting No. 36 held on Wednesday 4 September 2013, with the following amendments:</p> <p>Resolution 36.9.1 to read ‘...The Authority resolved to approve a total contribution of up to \$17,500 to the measuring the Impact on Urban Consolidation on Stormwater Flows Project. If the budgeted timelines demonstrated in the application is not achieved, the SMA will retain the right to defer any payment for a period of up to 12 months’.</p>
37.8.1	<input type="checkbox"/>	Charles Sturt	117-12 Port Road drainage Works	The Authority resolved to defer the final decision on the matter pending further discussion between the SMA General Manager and DPTI’s Principal Stormwater Engineer on the scope of the works, and on the potential for all of Stage 2 to be considered in the application to address risks as outlined in the presentation and application.
37.9.1	<input type="checkbox"/>		Strategic issues	The Authority agrees in principle with the concept of the SMA Strategic Plan forming part of the Urban Water Blueprint, but seeks further detail on how this can be managed and integrated. Consideration about regional vs metropolitan Adelaide and how action elements will be allocated to other authorities needs to be addressed.
37.10.1	<input type="checkbox"/>			<p>The Authority resolved:</p> <ul style="list-style-type: none"> • To note the report from Mr Michael Salkeld Project Director of the Brown Hill Creek & Keswick Creek Project. • To note the report from Mr John Comrie, SMA advisor, on the Brown Hill Creek & Keswick Creek project report. • The General Manager and DPTI’s Principal Stormwater Engineer to have discussions with the Project Director of BHKCP on progressing elements of the Part A works, in the absence of the formation of the regional subsidiary. • To advise the BHKCP steering committee of the SMA’s concern with the further delays in the implementation of Part A works; of the proposal to form a subsidiary; and at the proposed consultation strategy which does not appear to align with the timelines for investigations on the project.
37.11.1	<input type="checkbox"/>		Annual Report and Financial Statements	The Authority resolved to note the “Internal Audit Report for the financial period ended 30 June 2013” from CKM Management Solutions Pty Ltd.
37.11.2	<input type="checkbox"/>		Annual Report and Financial Statements	The Authority resolved to note the 2012-13 Annual Report and Financial Statements submitted to the Minister for Water and the River Murray and the President of the Local Government Association on the 30 September 2013.
37.12.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve the Financial Reports, including cash held by the Local Government Finance Authority.
37.12.2	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve 2012-2013 to 2014-2015 Budget Forecasts.
37.12.3	<input type="checkbox"/>		Financial Report	The Authority resolved to note that \$10m (made up of two \$5m parcels) were placed in term deposits which mature on 28 January 2014 at an interest rate of 3.05%.
37.13.1	<input type="checkbox"/>		Application Summary	The Authority resolved to note the Applications Summary as at 29 October 2013.

Res. No	Conf.	Applicant	Agenda Item	Resolution
37.14.1	<input type="checkbox"/>		Administration	<p>The Authority resolved:</p> <ul style="list-style-type: none"> • As agreed with the Director of Projects DPTI (Mr Lou George), an investigation will be undertaken into what work the SMA would be prepared to fund over the next six months. This investigation will be led by the General Manager of the Authority. • A lump sum payment of \$50,000 to be offered to DPTI for the services provided to the SMA until the investigation is completed and further negotiations take place. • To respond to Mr Rod Hook's letter dated 20 May 2013 to advise of the subsequent discussion between the Director of Projects, DPTI and the Presiding Member, SMA and that a review will be undertaken over the next six months on what services are provided by DPTI to the SMA that the SMA would be prepared to fund.
Meeting 36, Wednesday, 4 September 2013				
36.4.1	<input type="checkbox"/>		confirmation of Minutes of Board Meeting No. 35	The Authority resolved to approve the minutes of Meeting No. 35 held on Wednesday 3 July 2013.
36.7.1	<input type="checkbox"/>		Local Government Association	The Authority resolved to advise the Minister for Water and the River Murray that an intergovernmental discussion occur between the Local Government Association and the State Government to determine the funding model required to fund the works projects from the Brown Hill Creek & Keswick Creek Stormwater Management Plan.
36.7.2	<input type="checkbox"/>		Blueprint for Urban water	The Authority resolved to note the draft consultation paper for the "Blueprint for Urban Water in Greater Adelaide" and provide feedback to the Department of Environment, Water and Natural Resources that the SMA Strategic Plan and its interactions with the Blueprint should be specifically referenced in the Blueprint.
36.7.3	<input type="checkbox"/>		Strategic Plan	The Authority resolved that the project brief for the preparation of the SMA Strategic Plan be redrafted and distributed to Board Members out of session for review.
36.8.1	<input type="checkbox"/>		BHKCP	<p>The Authority resolved to:-</p> <ol style="list-style-type: none"> (1) Note the verbal briefing from the Brown Hill Keswick Creek Steering Committee representatives and their intention to provide the Stormwater Management Authority with a letter updating the outcome of the four points requested; <ul style="list-style-type: none"> • Timing and process for the formation of a regional subsidiary. • Timing and process for the implementation of the Part A works. • A plan for the Community Consultation as proposed. • A revised application for the balance of funds to complete the 2014 Stormwater Management Plan. (2) Advise the Brown Hill Keswick Creek Steering Committee of the resolution that the Stormwater Management Authority request to the Minister for Water and the River Murray that an intergovernmental discussion occur between the Local Government Association and the State Government to determine the funding model required to fund the works projects from the Brown Hill Creek & Keswick Creek Stormwater Management Plan. (3) Request the Brown Hill Keswick Creek Steering Committee provide the Community Consultation Plan by the end of October 2013 so that the Authority can view it for its Board meeting of the 6 November 2013. (4) Request the Brown Hill Keswick Creek Steering Committee provide further advice to the Authority on those elements of works wanting to proceed with in Part A.

Res. No	Conf.	Applicant	Agenda Item	Resolution
36.8.2	<input type="checkbox"/>		BHKCP - Advisor	The Authority resolved to request Mr John Comrie attend the future Brown Hill Keswick Creek Steering Committee meetings.
36.8.3	<input type="checkbox"/>		BHKCP - Notice	The Authority resolved to defer a decision on issuing a Notice to the five Councils of the Brown Hill and Keswick Creeks catchment to complete Part B of the 2012 Brown Hill Keswick Creek SMP.
36.9.1	<input type="checkbox"/>	Marion	132-13 Measuring Stormwater impact on urban consolidation.	The Authority resolved to approve a total contribution of up to \$17,500 to the measuring the Impact on Urban Consolidation on Stormwater Flows Project. If the budgeted timelines demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
36.9.2	<input type="checkbox"/>	Gawler	Gawler SMP	The Authority resolved to approve a total contribution of up to \$100,000 towards the preparation of a Gawler Stormwater Management Plan. If the budgeted timelines demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
36.10.1.1	<input type="checkbox"/>		Annual report	The Authority resolved to agree on the content of the draft annual report for 2012-2013, including amendments agreed on by the Board.
36.10.1.2	<input type="checkbox"/>		Financial statement	The Authority resolved to note the 2012-2013 financial statements, issued to Auditor General for Audit.
36.11.1	<input type="checkbox"/>		Financials	The Authority resolved to note and approve the Financial Reports, including cash held by the Local Government Finance Authority.
36.11.2	<input type="checkbox"/>		Financials	The Authority resolved to note and approve 2012-2013 to 2014-2015 Budget Forecasts.
36.11.3	<input type="checkbox"/>		Financials	The Authority resolved:- <ul style="list-style-type: none"> • that \$10m be placed in a term deposit for the best rate up to 90 days. • to delegate the Presiding Member and General Manager to provide instructions to the Local Government Finance Authority.
36.12.1	<input type="checkbox"/>		Application Summary	The Authority resolved to note the Applications Summary as at 27 August 2013.
36.13.1	<input type="checkbox"/>		Correspondence	The Authority resolved to note the correspondence from:- <ul style="list-style-type: none"> • the Hon Gail Gago MLC on the implementation of the State Government for the State/Local Government relations portfolio dated 16 August 2013. • the Director, Public Integrity Reform in relation to the changes to the Independent Commissioner Against Corruption Act 2012 dated 22 August 2013.
36.13.2	<input type="checkbox"/>		DEWNR Service Level Agreement	The Authority resolved to note the new Service Level Agreement in place with Department of Environment, Water and Natural Resources (DEWNR).
Meeting 35, Thursday, 4 July 2013				
35.4.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 34	The Authority resolved to approve the minutes of Meeting No. 34 held on Wednesday 8 May 2013.
35.6.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve the Financial Reports, including cash held by the Local Government Finance Authority.
35.6.2	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve 2012-2013 to 2014-2015 Budget Forecasts.

Res. No	Conf.	Applicant	Agenda Item	Resolution
35.7.1	<input type="checkbox"/>		BHKCP	The Authority resolved to:- (1) Fund the activities required to complete the investigation of all the Part B works. (2) Seek from the councils the cost of the investigations in one above. (3) Delegate to Mr Stephen Hains and Mr Wally lasiello the authority to approve 50% of the costs provided by the councils in two above. (4) Request the councils to provide further information for its next meeting on the following: (a) The findings of the technical investigation along with the cost of the options. (b) Timing and process for the formation of a regional subsidiary. (c) Timing and process for the implementation of the Part A works. (d) A plan for the Community Consultation as proposed. (e) A revised application for the balance of funds to complete the 2014 Stormwater Management Plan.
35.7.2	<input type="checkbox"/>		BHKCP- " issue of a Notice"	The Authority resolved to defer a decision on the issuing of a Notice until the next meeting of the Authority.
35.8.1	<input type="checkbox"/>	Salisbury	119-12 Salisbury Escarpment Stormwater Management Plan	The Authority resolved to approve a total contribution of up to \$35,000 towards the Salisbury Escarpment Stormwater Management Plan. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
35.8.2	<input type="checkbox"/>	Light	128-13 Wasleys Stormwater Harvesting & Reuse Project – Stage 1.	The Authority resolved to decline to provide any funding to this project.
35.8.3	<input type="checkbox"/>	Clare & Gilbert Valleys	129-13 Various locations for Stormwater Management Plans.	The Authority resolved to approve a total contribution of up to \$73,000 towards the Clare & Gilbert Valleys Seven Townships Stormwater Management Plans project. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
35.8.4	<input type="checkbox"/>	GRFMA	131-13 further investigations	The Authority resolved to approve a total contribution of up to \$50,000 towards the Gawler River Flood Mitigation Scheme further investigations. These investigations are to include consideration of the incorporation of stormwater harvesting and reuse options. If the Adelaide and Mount Lofty Ranges Natural Resources Management Board also provide a contribution to this project the Authority's contribution would reduce by one half of the additional contribution received. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
35.9.1	<input type="checkbox"/>		Application Summary	The Authority resolved to note the Applications Summary as at 26 June 2013.
35.11.1	<input type="checkbox"/>		Administration - Request for Service Level agreement with Department of Planning, Transport and Infrastructure (DPTI)	The Authority resolved to meet with DPTI to engage in further discussions on a service level agreement relating to the services provided by DPTI to the SMA.
35.11.2	<input type="checkbox"/>		Administration -Payment of funds to SMA approved projects	The Authority resolved to approve the update to the Stormwater Management Authority – "Stormwater Management Fund Guide for Applicants", subject to the inclusion of corrections provided by the Board.

Res. No	Conf.	Applicant	Agenda Item	Resolution
35.11.3	<input type="checkbox"/>		Administration -Project brief to prepare a three year strategic plan for the SMA.	The Authority resolved that a brief for the development of a strategic plan for the SMA be prepared and distributed to Authority members.
35.11.4	<input type="checkbox"/>		Administration -SMA's role, function and performance in accordance with Schedule 1A of the Local Government Act 1999.	The Authority resolved to engage in discussion surrounding the role, functions and performance of the SMA.
Meeting 34, Wednesday, 8 May 2013				
34.4.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 33	The Authority resolved to approve the minutes of Meeting No. 33 held on Tuesday 26 February 2013.
34.6.1	<input type="checkbox"/>		BHKCP _ Ridge Park	The Authority resolved to note the progress of Ridge Park and the legal advice in reference to the Development Act 1993.
34.6.2	<input type="checkbox"/>		BHKCP _ Meeting	The Authority resolved to note the outcome of the BHKCSP Steering Committee meeting with the Presiding Member and General Manager and agree to receive the five councils at the July meeting of the Authority.
34.6.3	<input type="checkbox"/>		BHKCP_ Minister	The Authority resolved to write to the Minister with preliminary advice on progress and funding the Brown Hill & Keswick creek project. The draft letter will be circulated to Board members for comment.
34.6.4	<input type="checkbox"/>		BHKCP – Notice	The Authority resolved to note the advice.
34.7.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve the Financial Reports, including cash held by the Local Government Finance Authority.
34.7.2	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve 2012-2013 to 2014-2015 Budget Forecasts.
34.8.1	<input type="checkbox"/>		Priority of SMP	The Authority resolved to prepare a draft business plan, to be completed by September, to include the policies, protocols and priorities of the SMA based on the "Priorities for Stormwater Management Planning (August 2012)" report; and that a report on the consultation strategy be brought forward to a future meeting.
34.8.2	<input type="checkbox"/>	Onkaparinga	120-13 Silver Sands SMP	The Authority resolved to approve a total contribution of up to \$30,000 towards the Silver Sands Creek Stormwater Management Plan. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
34.8.3	<input type="checkbox"/>	Light	128-13 Wasleys Stormwater Harvest reuse	The Authority resolved to defer a decision on the application until Council can advise on the priority of the project as part of the approved Stormwater Management Plan. The SMA also wishes to be informed of the progress of the other projects identified in the SMP. The Council is encouraged to explore other opportunities for funding as the SMA is unlikely to fully fund the application for Wasleys Stormwater Harvesting & Reuse Project – Stage 1.
34.9.1	<input type="checkbox"/>		Application Summary	The Authority resolved to note the Applications Summary as at 29 April 2013.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 33, Tuesday, 26 February 2013				
33.4.1	<input type="checkbox"/>		Confirmation of Briefing documents to new Board	The Authority resolved that briefing papers have all been received and accepted.
33.5.1.1	<input type="checkbox"/>		BHKCP Correspondence	The Authority resolved to note the correspondence from the Adelaide Mt Lofty NRM (AMLNRM) Board, giving its opinion on the 2012 BHKCP Stormwater Management Plan dated 12 October 2012.
33.5.1.2	<input type="checkbox"/>		BHKCP Correspondence	The Authority resolved to note the Report from the SMA Advisor Mr John Comrie dated 31 October 2012.
33.5.1.3	<input type="checkbox"/>		BHKCP Correspondence	The Authority resolved to note the correspondence Letter from BHKCP Project Director Mr Michael Salkeld dated 21 December 2012 in response to AMLNRM Board letter.
33.5.1.4	<input type="checkbox"/>		BHKCP Correspondence	The Authority resolved to note the correspondence Report from Mr Bill Lipp on BHKCP Stormwater Management Plan dated 8 January 2013.
33.5.1.5	<input type="checkbox"/>		BHKCP Correspondence	The Authority resolved to note the correspondence from BHKCP Project Director Mr Michael Salkeld to address the SMA request to present a Project Plan to complete Part B of the 2012 Brown Hill Keswick Creek Stormwater Management Plan dated 4 February 2013.
33.5.2.1	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to approve the 2012 Brown Hill Keswick Creek Stormwater Management Plan.
33.5.2.2	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to inform the councils that the approval of the 2012 Brown Hill Keswick Creek Stormwater Management Plan in accordance with the Local Government (Stormwater Management) Amendment Act 2007 does not represent a commitment or approval by the Authority of any funding contribution towards the implementation of the plan.
33.5.2.3	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to agree and delegate the Presiding Member to sign the gazettal notice on approval.
33.5.2.4	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to delegate to the Presiding Member to write to the Mayors of the 5 Councils with formal advice of the Authority's decision.
33.5.2.5	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to delegate to the Presiding Member to write to the Mayors of the 5 Councils to request that the councils prepare an application for funding support for the finalisation of the part B component of the 2012 SMP.
33.5.2.6	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to inform the five councils that they are to be inclusive of the AMLNRM Board during the finalisation of Part B of the 2012 BHKCP SMP which is in accordance with the "Stormwater Management Planning Guidelines".
33.5.2.7	<input type="checkbox"/>		BHKCP SMP	The Authority resolved that the Presiding Member and General Manager brief the Minister for Water and the River Murray, Minister for Local Government and the President of the Local Government Association on the outcome.
33.5.2.8	<input type="checkbox"/>		BHKCP SMP	The Authority resolved to re-appoint Mr John Comrie as the BHKCP advisor during the time the councils are required to prepare the 2014 BHKCP SMP.
33.5.3.1	<input type="checkbox"/>		SMA Funding	The Authority resolved to note the progress of the BHKCP funding consideration to the State Government as an emerging issue.

Res. No	Conf.	Applicant	Agenda Item	Resolution
33.6.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve the Financial Reports, including cash held by the Local Government Finance Authority.
33.6.2	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve 2012-2013 to 2014-2015 Budget Forecasts.
33.7.1.1	<input type="checkbox"/>	Unley	Ridge Park (123-13)	The Authority resolved to approve a total contribution of up to \$1,400,000 towards the Ridge Park Detention Basin construction, subject to a review of the approved amount once the recommended tender price is known. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
33.7.2.1	<input type="checkbox"/>	BHKCSP	BHKCP SMP (125-13)	The Authority resolved to approve a total contribution of \$270,000 towards the Brown Hill Keswick Creek 2012 SMP – additional costs.
33.7.2.1	<input type="checkbox"/>	BHKCSP	BHKCP SMP (125-13)	The Authority resolved to advise the BHKCP in writing that, in future, no retrospective applications will be considered.
33.7.3.1	<input type="checkbox"/>	BHKCSP	BH Creek diversion (127-13)	The Authority resolved to approve a total contribution of up to \$2,500,000 towards the Goodwood Junction Brown Hill Creek Diversion Project with the contribution to be paid in 2014/15.
33.7.3.2	<input type="checkbox"/>	BHKCSP	BH Creek diversion (127-13)	The Authority resolved to advise the Councils that this contribution should not imply any commitment from the Authority in relation to funding 50% of the capital cost of the 2012 SMP.
33.7.4.1	<input type="checkbox"/>	AMLRNRMB	BH creek flow gauging (118-12)	The Authority resolved to approve a total contribution of up to \$33,000 . If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.

Res. No	Conf.	Applicant	Agenda Item	Resolution
---------	-------	-----------	-------------	------------

Year: 2012

Meeting 32, Tuesday, 28 August 2012

32.4.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 31	The Authority resolved to approve the minutes of Meeting No. 31 held on Monday 25 June 2012.
32.6.1.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the report dated 13 August 2012 from John Comrie, Advisor to the Brown Hill & Keswick Creeks Project Steering Group.
32.6.1.2	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the draft Brown Hill & Keswick Creeks Stormwater Project Stormwater Management Plan 2012, currently being considered by the five Councils for approval.
32.6.2.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the verbal update provided by BHKCP Director Michael Salkeld and City of Unley CEO Peter Tsokas.
32.6.2.2	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to acknowledge the progress to date and supports continuation of the current process.
32.6.2.3	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to encourage the progress of scheduling procurement of Part A works to assist the Authority for the purposes of long term financial planning.
32.6.2.4	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to request of the Councils their project plan for the next 12 months, to complete Part B.
32.6.2.5	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the positive feedback received from the Councils in respect of the role played by John Comrie as Advisor and encourages the next Board to strongly consider continuing this arrangement.
32.6.3.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the response dated 14 August 2012 received from the Minister for Water and the River Murray in response to the Authority's advice to the Minister regarding possible financial implications of anticipated applications to the Board for funding for the Port Road Stormwater Management Plan and Brown Hill and Keswick Creeks Stormwater Management Plan.
32.6.3.2	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to respond to the Minister's letter, providing the further information as requested.
32.6.3.3	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to prepare an options paper for alternative funding models, to be presented to the new Stormwater Management Authority Board for consideration and progression.
32.7.1	<input type="checkbox"/>		Priority for Stormwater Management Plans August 2012	The Authority resolved to note the Assessment informing of the reasonable sequence of undertaking Stormwater Management Planning and to provide this advice to the Minister for Water and the River Murray, and the President of the Local Government Association of SA.
32.7.2	<input type="checkbox"/>		Priority for Stormwater Management Plans August 2012	The Authority resolved to encourage the new Board to consider this list of priorities in the context of the new Stormwater Management Agreement and legislative review and engage with priority Councils affected.
32.8.1.1	<input type="checkbox"/>	Marion	Variation to Hallett Cove SMP (95/11)	The Authority resolved to approve an additional contribution of up to \$13,500 towards the Hallett Cove Creeks Stormwater Management Plan. This takes the total commitment to \$48,500. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.

Res. No	Conf.	Applicant	Agenda Item	Resolution
32.8.2.1	<input type="checkbox"/>	Goyder	Farrell Flat Flood Mitigation (113/12)	The Authority resolved to decline to provide any funding to this project and advise the Council that it should initially revise the Stormwater Management Plan to comply with the SMA guidelines in consultation with Bill Lipp. After the Stormwater Management Plan has been completed and accepted, the Authority will then be in a better position to advise the Council how to proceed from there.
32.8.3.1	<input type="checkbox"/>	Tumby Bay	Stormwater Management Plan (115/12)	The Authority resolved to approve a total contribution of up to \$33,000 towards the Tumby Bay Stormwater Management Plan contingent on the Natural Disaster Resilience Program approving a similar contribution. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
32.8.4.1	<input type="checkbox"/>	Copper Coast	Stormwater Management Plan (116/12)	The Authority resolved to approve a total contribution of up to \$50,000 towards the Moonta/Moonta Bay/Port Hughes Stormwater Management Plan. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
32.8.4.2	<input type="checkbox"/>	Copper Coast	Stormwater Management Plan (116/12)	The Authority resolved to refuse the Council's application for support for Stormwater Management Plan preparation for Wallaroo/North Beach and Kadina & Surrounds for the time being pending satisfactory progress on the Moonta/Moonta Bay/Port Hughes Stormwater Management Plan.
32.8.5.1	<input type="checkbox"/>	Salisbury	Cobbler Creek SMP (114/12)	The Authority resolved to approve a total contribution of up to \$10,000 towards the Cobblers Creek Stormwater Management Plan. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
32.8.6.1	<input type="checkbox"/>	Charles Sturt	Waterproofing the West Stage 2 (117/12)	The Authority resolved to note the application received from the City of Charles Sturt for the Water Proofing the West – Stage 2 project.
32.8.6.2	<input type="checkbox"/>	Charles Sturt	Waterproofing the West Stage 2 (117/12)	The Authority resolved to note the response provided to the City of Charles Sturt pertaining to revised estimates.
32.8.6.1.1	<input type="checkbox"/>	Charles Sturt	Waterproofing the West Stage 2 (117/12)	The Authority resolved to provide no contribution towards the design estimate as requested in Mr Sykes' letter of 27 August 2012 regarding the City of Charles Sturt Water Proofing the West – Stage 2 project.
32.8.6.1.2	<input type="checkbox"/>	Charles Sturt	Waterproofing the West Stage 2 (117/12)	The Authority resolved to prepare a response to the City of Charles Sturt informing them of the outcome. In their response, the Authority will note the statement contained within Council's letter of 27 August inferring that the SMA confirmed it will contribute 50% costing towards the cost to undertake the estimates, and will convey that this is incorrect.

Res. No	Conf.	Applicant	Agenda Item	Resolution
32.9.1.1	<input type="checkbox"/>		Administration – Draft Annual Report and Financial Statements for 2011 - 2012	The Authority resolved to note the 2011-2012 financial statements, issued to Auditor General for Audit subject to the alterations which were: <ul style="list-style-type: none"> Page 6, 1st paragraph, line 2, insert the words “land within”, with the sentence now to read “The catchment covers land within the City of Mitcham.... Page 6, 9th paragraph, last line, replace the words “in August 2012” with “by the five councils”, with the sentence now to read “The Stormwater Management Authority now awaits the Stormwater Management Plan to be delivered by the five Councils.” Inclusion of the advice to the Minister for Water referencing the quarterly meetings with the Minister and regular reporting on BHKCP.
32.9.2.1	<input type="checkbox"/>		Administration – SMA Insurance Arrangements	The Authority resolved to note the 2012-2013 SAICORP insurance arrangements.
32.9.3.1	<input type="checkbox"/>		Administration – Conflict of Interest of Board Members	The Authority resolved to note the legal advice/response received from Crown Solicitor’s Office in relation to conflict of interest consideration.
32.9.4.1	<input type="checkbox"/>		Administration – New Service Level Agreement with DEWNR	The Authority resolved to note the new Service Level Agreement in place with Department of Environment, Water and Natural Resources (DEWNR).
32.10.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve the Financial Reports, including cash held by the Local Government Finance Authority.
32.10.2	<input type="checkbox"/>		Financial Report	The Authority resolved to note and approve 2012-2013 Budget Forecasts.
32.11.1	<input type="checkbox"/>		Applications Summary	The Authority resolved to note the Applications Summary as at 22 August 2012.
Meeting 31, Monday, 25 June 2012				
31.4.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 30	The Authority resolved to approve the minutes of Meeting No. 30 held on Tuesday 8 May 2012.
31.6.1.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the report dated 10 June 2012 from John Comrie, Advisor for Brown Hill Keswick Creek Stormwater Project.
31.6.2.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the report dated 15 June 2012 received from the Brown Hill & Keswick Creeks Stormwater Project Director.
31.6.3.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the summary of the financial model for funding of the Brown Hill & Keswick Creek Stormwater Management Plan.

Res. No	Conf.	Applicant	Agenda Item	Resolution
31.6.3.1.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	<p>The Authority resolved to advise the Minister and the President of the LGA that, based on current financial modelling to fund the Brown Hill & Keswick Creeks Stormwater projects and Port Road project, it is unlikely there will be sufficient funds to fund any other capital projects of flood prevention nature, and requests that the Minister review the funding allocation, procurement and funding models.</p> <p>Further, to advise that the funding agreement has 23 years remaining and the capacity to resource the known projects and potential new projects that may emerge through the Urban Water Blueprint are severely compromised.</p>
31.6.3.1.2	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to delegate to the Presiding Member and the General Manager to commence discussions with either the LGFA or SAFA on loan terms and contracts.
31.7.1.1	<input type="checkbox"/>	Port Lincoln	Port Lincoln SMP (108/11)	The Authority resolved to approve a total contribution of up to \$30,000 towards the Port Lincoln Stormwater Management Plan. If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
31.8.2.1	<input type="checkbox"/>		Administration – SMA Board Member Expiration – 31 August 2012	The Authority resolved to note that the LGA is proceeding to call for nominations for its positions on the board and the Presiding Member position and anticipates advising the Minister of nominations by mid August 2012.
31.9.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note the Stormwater Management Authority Fund financial reports as at 31 May 2012.
31.10.1	<input type="checkbox"/>		Applications Summary	The Authority resolved to note the Applications Summary as at 31 May 2012.
31.11.1	<input type="checkbox"/>		Other Business	The Authority resolved to review the Stormwater Management Planning guidelines.
Meeting 30, Tuesday, 8 May 2012				
30.4.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 29	The Authority resolved to approve the amended minutes of Meeting No. 29 held on Monday 13 February 2012.
30.6.1.1	<input type="checkbox"/>		Outcomes of Out of Session Meetings 4 April 2012 and 2 May 2012	The Authority resolved to approve the minutes of Out of Session Teleconference of 4 April 2012.
30.6.2.1	<input type="checkbox"/>		Outcomes of Out of Session Meetings 4 April 2012 and 2 May 2012	The Authority resolved to approve the minutes of the Out of Session Meeting of 2 May 2012.
30.6.2.2	<input type="checkbox"/>		Outcomes of Out of Session Meetings 4 April 2012 and 2 May 2012	The Authority resolved to endorse the approach of the Proposed Strategy as set out in Michael Salkeld's letter dated 30 April 2012 subject to the five councils agreeing to the strategy.
30.6.3.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the letter dated 9 March 2012 from Michael Salkeld, Project Director of Brown Hill Keswick Creek Stormwater Project.

Res. No	Conf.	Applicant	Agenda Item	Resolution
30.6.4.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the report dated 10 April 2012 from John Comrie, Advisor for Brown Hill Keswick Creek Stormwater Project.
30.6.5.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	Authority resolved to note the report dated 30 April 2012 from John Comrie, Advisor for Brown Hill Keswick Creek Stormwater Project.
30.6.6.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the letter dated 30 April 2012 from Michael Salkeld, Project Director of Brown Hill Keswick Creek Stormwater Project.
30.7.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the legal advice dated 20 March 2012 and further legal advice dated 23 March 2012 in relation to Brown Hill and Keswick Creeks Project – Order requiring Preparation of Stormwater Management Plan – from Don Mackintosh, Crown Solicitor’s Office.
30.9.1.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to formally note receipt of letters from concerned parties in regard to the Brown Hill and Keswick Creek stormwater management plan.
30.9.2.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to extend Mr Comrie’s contract as SMA Advisor to the Brown Hill & Keswick Creeks Project Steering Committee until 31 October 2012.
30.10.1.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note the Stormwater Management Authority Fund financial reports as at 30 April 2012.
30.10.1.2	<input type="checkbox"/>		Financial Report	The Authority resolved to delegate to the Presiding Member and General Manager to determine the quantum of funds to be placed in term deposits with the Local Government Finance Authority from time to time.
30.11.1	<input type="checkbox"/>		Consultation Draft Agreement State-Local Government Stormwater Management Agreement	The Authority resolved to release its advice to both Department for Water and Local Government Association of South Australia as a response to the consultation draft agreement.
30.12.1	<input type="checkbox"/>		Insurance Enquiry	The Authority resolved to note the brief outcome of the discussions with SAICORP and MLS.
Meeting 29, Monday, 13 February 2012				
29.4.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 28	The Authority resolved to approve the minutes of Meeting No. 28 held on Tuesday 13 December 2011 subject to one change in item 6.2 where “enhanced options report” should read “alternative options report”.
29.6.1.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the verbal update provided by John Comrie, SMA Advisor to the Brown Hill Keswick Creeks Stormwater Project.
29.6.2.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the report provided by Michael Salkeld Project Director of Brown Hill Keswick Creeks Stormwater Project.
29.6.3.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note and approve the request received from the Brown Hill and Keswick Creeks Project Steering Committee for John Comrie’s assistance in preparation of the Project Charter.
29.6.4.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project – Presentation from AMLNRMB re Maintenance Strategy for Privately Owned Urban Creeks	The Authority resolved to note the paper presented by Bill Lipp and Chris Wright.

Res. No	Conf.	Applicant	Agenda Item	Resolution
29.6.4.2	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project – Presentation from AMLNRMB re Maintenance Strategy for Privately Owned Urban Creeks	The Authority resolved to note that the Brown Hill & Keswick Creek Steering Committee is incorporating the maintenance strategy in relation to privately owned urban creeks into the BHKC Stormwater Management Plan.
29.6.5.1	<input type="checkbox"/>		City of Unley – Ridge Park MAR System	The Authority resolved to note the email dated 7 February 2012 from Michelle Bonnici, General Manager City Services, City of Unley to the General Manager, Stormwater Management Authority.
29.6.5.2	<input type="checkbox"/>		City of Unley – Ridge Park MAR System	The Authority resolved to provide in principle support for the construction of the Ridge Park Flood Detention Project subject to an application being submitted.
29.7.1.1	<input type="checkbox"/>		Bureau of Meteorology (110/11)-- Assisting local government in flash flood management through rain and river flow monitoring in 2012/12	The Authority resolved to approve a total contribution of up to \$67,500 towards Bureau of Meteorology Assisting Local Government in Flash Flood Management (2012/13). If the cash flow demonstrated in the application is not achieved the SMA will retain the right to defer any payment for a period of up to 12 months.
29.7.2.1	<input type="checkbox"/>	Clare & Gilbert Valleys	Clare and Gilbert Valleys Council (107/11)--Townships Floodplain Mapping	The Authority resolved to approve a total contribution of up to \$165,000 towards the Clare & Gilbert Valleys Townships Floodplain Mapping project. ---------	-------	-----------	-------------	------------

Year: 2010

Meeting 22, Tuesday, 14 December 2010

22.4.1.1	<input type="checkbox"/>		Confirmation of Minutes of Board Meeting No. 20	The Authority resolved to approve the minutes of Meeting No. 20 held on Tuesday 9 August 2010.
22.4.2.1	<input type="checkbox"/>		Confirmation of Outcomes of Teleconference of 1/11/10	The Authority resolved to approve the minutes and resolutions of the teleconference held on 1 November 2010, and further resolved that these minutes and resolutions remain confidential.
22.4.2.2	<input checked="" type="checkbox"/>		Confirmation of Outcomes of Teleconference of 1/11/10	CONFIDENTIAL: The Authority resolved not to make a funding contribution to the Patawalonga Assets as presented in the business case.
22.4.2.3	<input checked="" type="checkbox"/>		Confirmation of Outcomes of Teleconference of 1/11/10	CONFIDENTIAL: The Authority resolved given its limited funding it reaffirms its policy that assistance will only be provided to capital projects that have a clear flood mitigation benefit and that unless funding to the Authority is increased substantially, maintenance and operational expenditure will continue to be the sole responsibility of the asset owner.
22.4.2.4	<input checked="" type="checkbox"/>		Confirmation of Outcomes of Teleconference of 1/11/10	CONFIDENTIAL: The Authority resolved to provide advice to the Minister for Water that the Patawalonga is one example of significant operation, maintenance and renewal requirements being faced by State and Local Government and recommends that further consideration be given to this issue by the Stormwater Strategy Task Force.
22.4.2.5	<input checked="" type="checkbox"/>		Confirmation of Outcomes of Teleconference of 1/11/10	CONFIDENTIAL: The Authority resolved that the Presiding Member and the General Manager meet with Mr Scott Ashby, CEO of the Department for Water (DFW) and inform him of the outcomes of the meeting before any information is released to the DFW.
22.4.2.6	<input checked="" type="checkbox"/>		Confirmation of Outcomes of Teleconference of 1/11/10	CONFIDENTIAL: The Authority resolved that the General Manager respond to Mr Michael Salkeld, Project Director (BHKCP) with concerns regarding the slippage against milestones and that the Authority await a further report from the Project Director or a duly nominated representative who will attend the next Authority meeting on 14 December 2010 and report against the work plan milestones.
22.6.1	<input type="checkbox"/>		Brown Hill and Keswick Creeks Project	The Authority resolved to note the verbal update provided by Michael Salkeld and Ray Pincombe as well as the written correspondence dated 14 December 2010.

Res. No	Conf.	Applicant	Agenda Item	Resolution
22.7.1.1	<input type="checkbox"/>		Current Applications - CSIRO – SMA in-kind funding support to Managed Aquifer recharge and stormwater use options project	The Authority resolved to agree to the CSIRO request for in-kind contribution, that being: <ul style="list-style-type: none"> • Involvement on the Technical Committee (estimate 15 meetings over 3 years) to ensure operational requirements for stormwater management systems are taken into account in the design and conduct of experiments. • Ensure connection with whole of catchment stormwater management programs, including flood mitigation and stormwater quality improvement. • Communications with local government concerning stormwater quality and reuse.
22.8.1	<input type="checkbox"/>		Regional Flood Mitigation Program	The Authority resolved to note the receipt of \$1,930,778 from the Commonwealth Government for the balance of the pre-2009 legacy payment of the Regional Flood Mitigation Program.
22.8.2	<input type="checkbox"/>		Regional Flood Mitigation Program	The Authority resolved to approve a total contribution of \$266,666 of Regional Flood Mitigation Program (RFMP) funds towards the Spalding flood mitigation project. This approval reduces the original contribution of the Authority of 20/4/10 to match the RFMP funding of \$266,666. The funding will be shared in equal thirds between the Commonwealth Government, the Authority and the Northern Area Council.
22.8.3	<input type="checkbox"/>		Regional Flood Mitigation Program	The Authority resolved to approve a total contribution of \$342,666 of Regional Flood Mitigation Program (RFMP) funds towards the Nuriootpa Township Flood Mitigation scheme. This approval reduces the original contribution of the Authority of 20/4/10 and match the RFMP funding of \$342,666. The funding will be shared in equal thirds between the Commonwealth Government, the Authority and the Barossa Council.
22.8.4	<input type="checkbox"/>		Regional Flood Mitigation Program	The Authority resolved to approve the remaining Regional Flood Mitigation Program (RFMP) funds along with any other project saving to the Gawler River Project to partially offset the \$650,000 contribution from interest earned.
22.8.5	<input type="checkbox"/>		Regional Flood Mitigation Program	The Authority resolved to approve any savings on projects made from Regional Flood Mitigation Program (RFMP) and all unallocated interest should then be transferred into the Stormwater Management Fund on the final completion of all projects in the RFMP.
22.9.1	<input type="checkbox"/>		SMA Funds Arrangements – Letter from LGA	The Authority resolved to approve the LGA’s recommendation for the General Manager to work closely with the LGA to prepare a discussion paper in relation to the development of a ten-year financial plan to better manage cash flows consistent with priorities determined by the SMA for future stormwater management projects.
22.10.1	<input type="checkbox"/>		Power of the Stormwater Management Authority – Clause 16 of Schedule 1A Local Government Act 1999	The Authority resolved to note the information contained within the letters dated 18 October and 22 November 2010 from the Crown Solicitor’s Office.
22.10.2	<input type="checkbox"/>		Power of the Stormwater Management Authority – Clause 16 of Schedule 1A Local Government Act 1999	The Authority resolved to advise Mr Pisoni that the NRM Act 2004 has the required powers to address the issue.

Res. No	Conf.	Applicant	Agenda Item	Resolution
22.11.1	<input type="checkbox"/>		Update on Stormwater Management Plans	The Authority resolved to note the South Australian Government Gazettal notice of 18 November 2010 in relation to the approval of the Truro Stormwater Management Plan.
22.16.1.1	<input type="checkbox"/>		Administration Arrangements – Letter of Correspondence Flood Mitigation for Cheltenham Park - Email request from David Mortimer with attached Affidavit of Colin Pitman	The Authority resolved to note the correspondence received from Mr David Mortimer in respect of Request for Sufficient Flood Mitigation – Cheltenham Park and note that Mr Mortimer shall be advised that the Authority now awaits delivery of a Stormwater Management Plan from the City of Charles Sturt by June 2011 after which time the Authority will assess the plan and consider approval.
22.16.2.1	<input type="checkbox"/>		Administration Arrangements – Letter of Correspondence Flood Mitigation for Cheltenham Park – Correspondence from Cheltenham Park Residents Association	The Authority resolved to note the correspondence received from the Cheltenham Park Residents Association Inc and note that they shall be advised that the Authority now awaits delivery of a Stormwater Management Plan from the City of Charles Sturt by June 2011 after which time the Authority will assess the plan and consider approval.
22.17.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note the Stormwater Management Authority Fund financial report as at 30 November 2010.
22.18.1	<input type="checkbox"/>		Applications Summary	The Authority resolved to note the Applications Summary as at 30 November 2010.
Meeting 20, Monday, 9 August 2010				
20.4.1	<input type="checkbox"/>		Confirmation of Minutes	The Authority resolved to approve the minutes of Meeting No. 19 held on Tuesday 15 June 2010.
20.6.1.1	<input type="checkbox"/>	Onkaparinga	Beach Road Catchment SMP	The Authority resolved to approve a total contribution of up to \$20,000 towards the Beach Road Catchment Stormwater Management Plan. The SMA will retain the right to defer a payment if the current cash flow is not achieved for a period of 12 months after a claim has been made.
20.6.2.1	<input type="checkbox"/>	Onkaparinga	Pedlar Creek, McLaren Vale Floodplain Mapping	The Authority resolved to approve a total contribution of up to \$20,000 towards the Pedlar Creek, McLaren Vale Floodplain Mapping. The SMA will retain the right to defer a payment if the current cash flow is not achieved for a period of 12 months after a claim has been made.

16.13.2.1	<input type="checkbox"/>	Light	Light Regional Council (82/09)--Wasleys SMP	The Authority resolved to approve a total contribution of up to \$10,000 towards the Wasleys Stormwater Management Plan.
16.13.3.1	<input type="checkbox"/>	SES	State Emergency Service (77/09)	The Authority resolved to defer the consideration of Application 13.3 until the next meeting.

Meeting 15, Tuesday, 20 October 2009

15.2.1	<input type="checkbox"/>		Confirmation of Minutes	The Authority resolved to approve the amended minutes of Meeting No. 14 held on Tuesday 15 September 2009.
15.3.1.1	<input type="checkbox"/>		Recording of future minutes	The Authority resolved to note the new procedure of minute taking and the incorporation of an Action Items List for the General Manager.
15.3.1.2	<input type="checkbox"/>		Recording of future minutes	The Authority resolved that a new resolution paper be prepared and agreed by the Authority by the end of each meeting for the purpose of publishing on the web which shall exclude any resolutions determined by the Board to be confidential.
15.3.2.1	<input type="checkbox"/>		Resolution Register	The Authority resolved that the Resolution Register be published on the LGA website save and except for those resolutions determined by the Board to be confidential.
15.3.3.2.1	<input type="checkbox"/>		Conflict of interest	The Authority resolved to amend Resolution 14.7.6 to read: The Authority agreed that agendas and associated discussion papers are to be treated confidential and all receiving parties must take all reasonable steps to ensure that the confidentiality of information is preserved until the conclusion of the Board meeting unless otherwise resolved.
15.3.3.3.1	<input type="checkbox"/>		Honesty and Accountability paper no. 1: Duties of Corporate Agency Members	The Authority resolved to note the Honesty and Accountability paper no. 1: Duties of Corporate Agency Members.

Res. No	Conf.	Applicant	Agenda Item	Resolution
15.4.1	<input type="checkbox"/>		Annual Report	The Authority resolved to note that the Annual Report was formally delivered to the Minister for Water Security and the President of the Local Government Association.
15.5.1	<input type="checkbox"/>		Financial Report	The Authority resolved to note the Stormwater Management Fund financial report as at 30 September 2009.
15.6.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	The Authority resolved to note current progress and that the review will be finalised once feedback is received from Project Proponents.
15.8.1.1	<input type="checkbox"/>	BHKCSP	Progress on Mediation	The Authority resolved delegation for the Chair and General Manager to: (a) Proceed with the necessary arrangements to progress the Mediation process, inclusive of appointment of a Mediator; and (b) Provide detailed instructions and copies of the relevant documentation to the Crown Solicitor.
15.8.1.2	<input type="checkbox"/>	BHKCSP	Progress on Mediation	The Authority resolved that Resolution 15.8.1.1 and 15.8.1.2 remain confidential until the General Manager has advised the Chief Executives of West Torrens, Burnside, Adelaide, Unley and Mitcham.
15.8.3.1	<input type="checkbox"/>	BHKCSP	Email correspondence from P&K Collins	The Authority resolved that the DTEI advice to the Authority commissioned by the Authority (Reference 2009/01319) not be made publicly available at this time.
15.9.1.1	<input type="checkbox"/>	Mount Barker	DC of Mt Barker (80/09)--Mt Barker Township Floodplain Mapping	The Authority resolved to approve a total contribution of up to \$92,000 for the floodplain mapping of various creeks within the area of the expanded Mount Barker township, subject to the Council committing to the preparation of a Stormwater Management Plan for the greater Mount Barker township, on completion of the mapping.

Meeting 14, Tuesday, 15 September 2009

14.2.1	<input type="checkbox"/>	SES	State Emergency Service (77/09)--Community Floodsafe Program	The Authority resolved to defer consideration of this application on the basis of obtaining further information about funding from other sources.
14.2.2	<input type="checkbox"/>	Norwood, Payneham & St Peters	City of Norwood Payneham & St Peters (54/06)--First Creek Flood Mitigation Works	The Authority resolved not to make further contribution to the First Creek Flood Mitigation Works project.
14.2.3	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project	The Authority received the report "A review of the Justification for the Construction of Two Detention Dams in the Upper Reaches of Brown Hill Creek" from the City of Mitcham and referred it to the Department of Transport Energy and Infrastructure, Stormwater Group for comment.
14.2.4	<input type="checkbox"/>		Review the Stormwater Management Agreement 2006	The Authority acknowledged the review and the Project Brief and noted that Kym Kelly of Legal and Management Consulting has commenced work on the review.
14.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 31 August 2009.

Res. No	Conf.	Applicant	Agenda Item	Resolution
14.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	Members noted the review of all projects is being undertaken by General Manager and Bill Lip of DTEI and will be reported in the October 2009 meeting.
14.5.1	<input type="checkbox"/>		Applications Summary	Members noted the summary of applications received since January 2006.
14.6.1	<input type="checkbox"/>		Administrative and Financial Transactions	The Authority re affirmed the earlier resolutions of Meeting No. 1 July 2007 are still current with the exception that reference made to the "Minister for Infrastructure" within resolution 1.3.2 be replaced with "Minister for Water Security" and the reference made to "Office of Major Projects and Infrastructure" within resolution 1.5.1 be replaced with "Department of Water Land and Biodiversity Conservation".
14.7.1	<input type="checkbox"/>	BHKCSP	Brown Hill Flood Mitigation Basins (42/06)	The Authority resolved to approve the contribution of up to a sum of \$29,800 (1/5 share cost share) otherwise payable by the City of Mitcham. General Manager to follow up on alternative contract arrangements that would be acceptable to the Authority.
14.7.2	<input type="checkbox"/>	BHKCSP	Brown Hill Flood Mitigation Basins (42/06)	The Authority resolved to focus on the mediation process rather than engage in debate of detail of the report.
14.7.3	<input type="checkbox"/>		South Park Lands Detention Basins & ASR Scheme (69/08)	The Authority approve a contribution of up to \$137,500 plus (10% of \$137,500) \$13,750, otherwise payable by City of Mitcham. Note should negotiation with the NDMP for additional funding be successful the contribution will be equally offset from the Council and SMA contributions. Note originally approved \$50,000 (16/12/2008) plus an additional 10% up to \$5000 otherwise payable by the City of Mitcham.
14.7.4	<input type="checkbox"/>	BHKCSP	Overall Scheme	The Authority agreed that where it has met the Mitcham Council's contribution towards projects, it is the Authority's intent to recover the cost from them once the agreement has been finalised.
14.7.5	<input type="checkbox"/>	BHKCSP	Overall Scheme	The Authority will seek the service of the Crown Solicitor to review and provide advice on the Brown Hill and Keswick Creek Project.
14.7.6	<input type="checkbox"/>		Administrative	The Authority agreed that agendas and associated discussion papers are to be treated confidential and all receiving parties must take all reasonable steps to ensure that the confidentiality of information is preserved until the conclusion of the Board meeting unless otherwise resolved.
14.7.7	<input type="checkbox"/>	BHKCSP	Brown Hill Flood Mitigation Basins (42/06)	The Authority resolved to reaffirm Resolution 12.9.2 in relation to the contribution of up to \$257,000 approved in September 2006 towards feasibility and detailed design of Brown Hill Creek flood mitigation basins. If stages 2 and 3 of the project exceed the total project cost of \$600,000 then any further contribution would only be considered on a dollar for dollar basis with the Councils.
14.8.1	<input type="checkbox"/>	Gawler	Gawler River Floodplain Management Authority (79/09)	The Authority resolved to defer this application pending clarification and resolutions of project costs for the modification to the South Para Reservoir.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 12, Tuesday, 16 June 2009				
12.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 31 May 2009.
12.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	Members noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
12.5.1	<input type="checkbox"/>		Applications Summary	Members noted the summary of applications received since January 2006.
12.6.1.1	<input type="checkbox"/>	Streaky Bay	DC of Streaky Bay (72/09)--Streaky Bay SMP	The Authority resolved to approve a total contribution of up to \$30,000 on a dollar for dollar basis with the applicant towards the Streaky Bay Stormwater Management Plan.
12.6.2.1	<input type="checkbox"/>	Onkaparinga	City of Onkaparinga (75/09)--Pedler Creek Flood Warning / Monitoring System	The Authority resolved to approve a total contribution of up to \$11,750 towards installation and up to \$2,250 towards operation and maintenance in 2009/10 and 2010/11 on a dollar for dollar basis with the applicant towards the Pedler Creek Flood Warning / Monitoring System.
12.6.3.1	<input type="checkbox"/>	Tea Tree Gully	City of Tea Tree Gully (76/09)--Dry Creek Flood Mitigation	The Authority resolved to approve a total contribution of up to \$70,000 on a dollar for dollar basis with the applicant towards the Dry Creek Flood Mitigation project.
12.6.4.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt (56/07)--Port Road Rejuvenation Stages 1 to 7	The Authority resolved to defer the application for a contribution of \$500,000 to match the latest Commonwealth NDMP funding pending finalisation and approval of detailed design plans, assessment of updated cost estimates and clarification of funding arrangements for implementation of the project. (This application may be superseded by the proposal referred to in Resolution B.)
12.6.4.2	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt (56/07)--Port Road Rejuvenation Stages 1 to 7	The Authority resolved to agree in principle to provide a contribution in the order of \$6 million over four years, commencing in 2009/10 financial year, towards the flood mitigation components of the proposed stormwater harvesting scheme involving Old Port Road, Cheltenham Park and Riverside Golf Club subject to approval of Commonwealth Government funding and a detailed proposal in due course.
12.6.5.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (69/08)--South Park Lands Detention Basins & ASR Scheme	The Authority resolved to defer this application pending clarification of funding arrangements for implementation of the project.
12.9.1	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Brown Hill Flood Mitigation Basins (42/06)	The Authority resolved to approve the contribution of the 10% cost share up to a sum of \$25,000 otherwise payable by the City of Mitcham and agreed to be named as principal to the consultancy for completion of the feasibility and detailed design of Brown Hill Creek flood mitigation basins.

Res. No	Conf.	Applicant	Agenda Item	Resolution
12.9.2	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Brown Hill Flood Mitigation Basins (42/06)	The Authority resolved to reaffirm that the contribution of up to \$257,000 approved in September 2006 towards feasibility and detailed design of Brown Hill Creek flood mitigation basins remains available on a dollar for dollar basis with the Councils.
12.9.3	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Ridge Park Flood Detention and Rehabilitation (67/08)	The Authority resolved to approve the contribution of the 10% cost share up to a sum of \$2,500 otherwise payable by the City of Mitcham towards feasibility and detailed design of the Ridge Park Flood Detention and Rehabilitation project.
12.9.4	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Keswick to Brown Hill Creek Diversions (68/08)	The Authority resolved to approve the contribution of the 10% cost share up to a sum of \$6,000 otherwise payable by the City of Mitcham towards feasibility and detailed design of the Keswick to Brown Hill Creek Diversions project.
12.9.5	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--South Park Lands Detention & ASR Scheme (69/08)	The Authority resolved to approve the contribution of the 10% cost share up to a sum of \$5,000 otherwise payable by the City of Mitcham towards feasibility and detailed design of the South Park Lands Detention & ASR Scheme.
12.9.6	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Overall Scheme	The Authority resolved to request the Brown Hill and Keswick Creeks Project to report on how a catchment wide stormwater harvesting scheme together with associated environmental improvement will be implemented prior to proceeding with final design of individual scheme components in order to meet the December 2009 deadline for second round applications for Commonwealth Government funding.
12.9.7	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Overall Scheme	The Authority resolved to initiate mediation by an appropriately qualified facilitator between the Councils within the Brown Hill and Keswick Creeks Catchment.
12.9.8	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project--Overall Scheme	The Authority resolved to advise the Brown Hill and Keswick Creeks Project that inclusion of the paragraph referring to funding arrangements involving the Authority in the proposed Charter is not acceptable to the Authority and that finalisation of a Charter should be deferred pending further mediation between the Councils.

Meeting 11, Tuesday, 21 April 2009

11.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 31 March 2009.
11.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	Members noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
11.5.1	<input type="checkbox"/>		Applications Summary	Members noted the summary of applications received since January 2006 and agreed that it be publicly available on the webpage.

Res. No	Conf.	Applicant	Agenda Item	Resolution
11.6.1.1	<input type="checkbox"/>	Adelaide Plains	DC of Mallala (70/09)--River Light Floodplain Mapping	The Authority resolved to approve a total contribution of up to \$90,000 on a dollar for dollar basis with the applicant towards the River Light Floodplain Mapping project.
11.6.2.1	<input type="checkbox"/>	Kangaroo Island	Kangaroo Island Council (71/09)--Penneshaw Wastewater Management System	The Authority resolved not to make a contribution towards the Penneshaw Wastewater Management System.
11.6.3.1	<input type="checkbox"/>	Light	Light Regional Council (73/09)--Kingsford RIE ASR Investigation	The Authority resolved not to make a contribution towards the Kingsford RIE ASR Investigation.
11.6.4.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (67/08)--Ridge Park Flood Detention and Rehabilitation	The Authority resolved to approve a total contribution of up to \$25,000 on a dollar for dollar basis with the applicant towards feasibility and detailed design of the Ridge Park Flood Detention and Rehabilitation project.
11.6.5.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (68/08)--Keswick to Brown Hill Creek Diversions	The Authority resolved to approve a total contribution of up to \$60,000 on a dollar for dollar basis with the applicant towards feasibility and detailed design of the Keswick to Brown Hill Creek Diversions project.
11.7.2.1	<input type="checkbox"/>		Legal Advice	The Authority resolved to invite a proposal from three firms on the Crown Solicitor's Office panel for the provision of legal services on the basis of an hourly rate fee for service.
11.7.3.1	<input type="checkbox"/>		General Manager	The Authority resolved that the Presiding Member write to the Chief Executive, DWLBC regarding the job specification and reporting arrangements for employment of the General Manager.
Meeting 10, Tuesday, 17 February 2009				
10.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 31 January 2009.
10.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	Members noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
10.5.1	<input type="checkbox"/>		Applications Summary	Members noted the summary of applications received since January 2006.
10.5.2	<input type="checkbox"/>		Conflict of Interest	The Authority resolved to continue the established practice whereby members choose to leave the meeting for discussion and decisions on items where there may be, or where it could be perceived that the member has a conflict of interest. <i>Originally numbered as 10.5a.1</i>
10.6.1.1	<input type="checkbox"/>	Salisbury	City of Salisbury (60/08)--Burton West Industrial Drain	The Authority resolved to approve a total contribution of up to \$1.9 million towards land acquisition costs and approve a total contribution of up to \$1.1 million towards the Stage 2 Works on a dollar for dollar basis with the applicant for final completion of the Burton West Industrial Drain project.

Res. No	Conf.	Applicant	Agenda Item	Resolution
10.7.1	<input type="checkbox"/>		Administrative Arrangements	The Authority resolved to authorise the Presiding Member to agree and approve final administrative arrangements for the Authority to be hosted by Office for Water Security / DWLBC.
10.10.1	<input type="checkbox"/>	BHKCSP	Brown Hill and Keswick Creeks Project	<p>The Authority resolved to request the Councils to proceed with the Stage 2 Further Investigation & Preliminary Design of Flood Mitigation Basins on Brown Hill Creek but on the basis that opportunities for stormwater use and improved environmental outcomes are addressed, including how the proposed flood mitigation basins may also contribute to achievement of such objectives downstream, for further consideration by all parties.</p> <p>The Authority also resolved to convey to the Councils and LGA its concern that flooding risk must be addressed and its strong support for genuine progress in this matter. To this end, the Authority is willing to contribute resources to assist in facilitating identification of the outstanding issues between the Councils with a view to achieving an agreed strategy for the Brown Hill and Keswick Creeks that addresses:</p> <ul style="list-style-type: none"> (a) Flood Management (b) Stormwater Use (c) Improved Environmental Outcomes (d) Institutional Arrangements.

Res. No	Conf.	Applicant	Agenda Item	Resolution

Year: 2008

Meeting 9, Tuesday, 16 December 2008

9.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 30 November 2008.
9.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	Members noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
9.5.1	<input type="checkbox"/>		Applications Summary	Members noted the summary of applications received since January 2006.
9.6.1.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt (64/08)--Torrens Road Stormwater Management Plan	The Authority resolved to approve a total contribution of up to \$125,000 on a dollar for dollar basis with the applicant towards the Torrens Road Stormwater Management Plan subject to agreement of the tender brief and assessment of tenders.
9.6.2.1	<input type="checkbox"/>	Playford	City of Playford (65/08)--Gawler River Water Initiative – Project Definition	The Authority resolved to approve a total contribution of up to \$30,000 on a dollar for dollar basis with the applicant towards the Gawler River Water Initiative – Project Definition subject to agreement of the tender brief and assessment of tenders.
9.6.3.1	<input type="checkbox"/>	Mid Murray	Mid Murray Council (66/08)--Truro Stormwater Management Plan	The Authority resolved to approve a total contribution of up to \$20,000 on a dollar for dollar basis with the applicant towards the Truro Stormwater Management Plan subject to agreement of the tender brief and assessment of tenders.
9.6.4.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (69/08)--South Parklands Detention & ASR Scheme--Feasibility and Detailed Design Stage	The Authority resolved to approve a total contribution of up to \$50,000 on a dollar for dollar basis with the applicant towards feasibility and detailed design of the South Parklands Detention & ASR Scheme.
9.6.5.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (68/08)--Keswick to Brown Hill Creek Diversions--Feasibility Stage	The Authority resolved to defer this application pending confirmation of agreement between the relevant councils to proceed with the Brown Hill and Keswick Creeks Project scheme including prioritisation and funding arrangements for implementation of the various flood mitigation components.
9.6.6.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (67/08)--Ridge Park Flood Detention and Rehabilitation--Feasibility and Detailed Design Stage	<p>The Authority resolved to defer this application pending confirmation of agreement between the relevant councils to proceed with the Brown Hill and Keswick Creeks Project scheme including prioritisation and funding arrangements for implementation of the various flood mitigation components.</p> <p>Members expressed concern at the ongoing delay for the relevant councils in the Brown Hill and Keswick Creeks catchment to agree satisfactory arrangements to work together to progress the implementation of outstanding priority flood mitigation works throughout the catchment.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
9.6.7.1	<input type="checkbox"/>	Northern Areas	Northern Areas Council (63/08)--Gladstone Flood Protection Works Stage 2:2	The Authority resolved to approve a total contribution of up to \$130,000 on a dollar for dollar basis with the applicant towards the Gladstone Flood Protection Works project.
9.6.8.1	<input type="checkbox"/>	Salisbury	City of Salisbury (60/08)--Burton West Industrial Drain	The Authority resolved to approve a total contribution of up to \$326,000 on a dollar for dollar basis with the applicant towards the Burton West Industrial Drain Stage 1 Works (noting that this contribution replaces an existing amount of \$83,333 previously committed under the former CMSS).
9.6.8.2	<input type="checkbox"/>		City of Salisbury (60/08)--Burton West Industrial Drain	The Authority also resolved not to make any commitment to contribute to the proposed land acquisition or Stage 2 Works associated with the Burton West Industrial Drain pending further information on priority in terms of the 2004 KBR Report, developer contributions, land acquisition costs, financial return to the Council and possible financial return to the Authority arising out of the scheme as well as further assessment of the Authority's priorities, commitments and funding arrangements.
9.7.1	<input type="checkbox"/>		Administrative Arrangements	The Authority resolved that the Presiding Member should meet with the Minister for Water Security and Chief Executive of the Local Government Association to discuss responsibilities, administrative arrangements and accommodation of the Authority's office.
9.8.1	<input type="checkbox"/>		Eligibility and Criterion for Funding	<p>The Authority resolved to convene a strategic planning workshop to establish a strategy for ongoing operations including criteria and priority for project funding in association with wider issues associated with major infrastructure and development projects.</p> <p>It was agreed to engage a facilitator and invite participation of the Chief Executive of the LGA and the Commissioner for Water Security.</p> <p>Members were invited to nominate other invitees.</p> <p>Anne Howe, Barry Grear, Colin Pitman and Terry Stewart undertook to organise the workshop to be held in late January / early February 2009.</p> <p>Members also agreed that briefing material to be provided to the Minister for Environment and Conservation also be forwarded to the Minister for Water Security, Minister for State / Local Government Relations, the Chief Executive of the Local Government Association and Commissioner for Water Security.</p>
9.12.2.1	<input type="checkbox"/>		Commissioner for Water Security	The Authority resolved that in the first instant it would invite the Commissioner for Water Security to participate in the strategic planning workshop referred to in item 8.
Meeting 8, Tuesday, 21 October 2008				
8.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 30 September 2008.

Res. No	Conf.	Applicant	Agenda Item	Resolution
8.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	Members noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
8.5.1	<input type="checkbox"/>		Applications Summary	Members noted the summary of applications received since January 2006.
8.6.1.1	<input type="checkbox"/>	Loxton Waikerie	DC of Loxton Waikerie (34/06)-- Loxton South Flood Mitigation Project	The Authority resolved to approve a total contribution of up to \$585,000 towards the Loxton South Flood Mitigation Project.
8.6.2.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (59/08)--Essential Repair Works	The Authority resolved to approve a total contribution of up to \$100,000 towards essential repair works subject to the following conditions: (1) The Brown Hill and Keswick Creeks Project at least match this contribution on a dollar for dollar basis. (2) The Brown Hill and Keswick Creeks Project formerly advise SA Water of the need to undertake urgent maintenance of those sections of the creek for which it is responsible.
8.6.3.1	<input type="checkbox"/>	Mitcham	City of Mitcham (62/08)--Belair Road Stormwater Drainage Stage 2:4	The Authority resolved to approve a total contribution of up to \$825,600 towards Stage 2 of the Belair Road Stormwater Drainage project.
8.6.4.1	<input type="checkbox"/>		Bureau of Meteorology (61/08)-- Rainfall & Stormwater Flow Data Collection	The Authority resolved to approve a total contribution of up to \$187,684 (including \$59,535 in 2008/09, \$62,512 in 2009/10 and \$65,637 in 2010/11) towards the Rainfall & Stormwater Data Collection project.
8.11.1	<input type="checkbox"/>		Stormwater Harvesting Study	The Authority resolved that: (1) The Authority should be the lead agency for this study to be undertaken in conjunction with Adelaide and Mount Lofty Ranges Natural Resources Management Board, Office for Water Security, SA Water and Local Government Association. (2) The Steering Group should include representatives from the Authority, Adelaide and Mount Lofty Ranges Natural Resources Management Board, Office for Water Security, SA Water and Local Government Association. (3) The Presiding Member should write to the Minister for Water Security seeking endorsement and support of the proposed arrangements for undertaking the study. (4) The Presiding Member should write to the Local Government Association seeking endorsement and support of the proposed arrangements for undertaking the study and inviting representation on the Steering Group. (5) The Presiding Member should write to SA Water once the brief is finalised recommending that the study be funded from the \$2 million allocation for feasibility studies for stormwater use projects.
8.14.1.1	<input type="checkbox"/>	Gawler	Gawler River Flood Mitigation Scheme	The Authority resolved that the Gawler River Floodplain Management Authority be requested to report on progress of the floodplain mapping project, the review of the scheme and program of remaining works.

Meeting 7, Tuesday, 19 August 2008

7.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 31 July 2008.
-------	--------------------------	--	------------------	---

Res. No	Conf.	Applicant	Agenda Item	Resolution
7.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	The Authority noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
7.5.1	<input type="checkbox"/>		Applications Summary	The Authority noted the summary of applications received since January 2006.
7.6.1.1	<input type="checkbox"/>	Salisbury	City of Salisbury (24/06)--Bridgestone Drainage Stage 2:2	The Authority resolved to approve a total contribution of up to \$275,000 towards the Bridgestone Drainage project.
7.6.2.1	<input type="checkbox"/>	Salisbury	City of Salisbury (60/08)--Burton West Industrial Drain	The Authority resolved to defer consideration of this application pending further information about any subsequent stages and how the proposed works form part of a total stormwater management scheme.
7.6.3.1	<input type="checkbox"/>	Loxton Waikerie	DC of Loxton Waikerie (34/06)--Loxton South Flood Mitigation Project	The Authority resolved to defer consideration of this application pending further information about any subsequent stages and how the proposed works form part of a total stormwater management scheme.
7.6.4.1	<input type="checkbox"/>	Port Adelaide Enfield	City of Port Adelaide Enfield (58/08)--North Arm East Catchment Stormwater Management Plan	The Authority resolved to approve a total contribution of up to \$45,000 towards preparation of the North Arm East Catchment Stormwater Management Plan in accordance with the Stormwater Management Planning Guidelines.
7.6.5.1	<input type="checkbox"/>	BHKCSP	Brown Hill & Keswick Creeks Project (59/08)--Essential Repair Works	The Authority resolved to defer consideration of this application pending further information about ownership and responsibility (including state agencies maintaining sections for which they are responsible), priority of the various works and how the proposed works relate to the scheme of works proposed under the approved Stormwater Management Plan.
7.6.6.1	<input type="checkbox"/>	Playford	City of Playford (50/06)-Chivell Road, Angle Vale Drain Stage 2	The Authority resolved not to make a contribution toward this project.
7.7.4.1	<input type="checkbox"/>		Adelaide Stormwater Harvesting Potential for MAR	The Authority resolved that the General Manager should convene a meeting with the DTEI Principal Stormwater Engineer (Bill Lipp), LGA (Wendy Campana / Michael Barry), CSIRO (Peter Dillon), Adelaide & Mount Lofty Ranges NRMB (Alan Ockenden) and SA Water (Chris Marles) to discuss a study to examine at a detailed level the options for stormwater capture, storage and use in conjunction with wastewater recycling for both urban & rural areas. This study will assist Local Government, State Government and the Authority to achieve an integrated stormwater use and wastewater recycling program for South Australia.

Meeting 6, Friday, 1 August 2008

6.3.1	<input type="checkbox"/>		Financial Report	Members noted the Stormwater Management Fund financial report as at 30 June 2008.
-------	--------------------------	--	------------------	---

Res. No	Conf.	Applicant	Agenda Item	Resolution
6.5.1	<input type="checkbox"/>		Administrative Arrangements / General Manager	Members discussed administrative arrangements associated with the expected transfer of the office to the Office for Water Security. Members resolved to support Terry Stewart being retained in the full time position of General Manager.
6.6.2.1	<input type="checkbox"/>		Natural Resources Committee / Media	Members noted this report.
Meeting 5, Tuesday, 19 February 2008				
5.3.1	<input type="checkbox"/>		Financial Report	The Authority noted the Stormwater Management Fund summary and cash flow budget summary as at 31 January 2008.
5.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	The Authority noted the status of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
5.5.1	<input type="checkbox"/>		Applications Summary	The Authority noted the summary of applications received since January 2006.
5.6.1	<input type="checkbox"/>		Education, Research and Data Collection Projects Relating to Stormwater Management	The Authority resolved to consider future applications for funding of education, research, data collection or similar project on their merits on a year to year basis.
5.7.1.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt (56/07)--Port Road Rejuvenation Stages 1 to 7	The Authority resolved to approve a total contribution of up to \$520,668 towards detailed design and implementation of Stage 1 subject to the following conditions: (1) The completed detailed design plans and associated cost estimates must be approved by the Authority prior to commencement of any works. (2)The detailed design process and proposed works must take into account and be coordinated with other Port Road projects.
5.7.2.1	<input type="checkbox"/>	Barossa	Barossa Council (57/07)--Floodplain Mapping – Nuriootpa Township and Surrounds	The Authority resolved to approve a total contribution of up to \$85,000 towards the Nuriootpa Township and Surrounds Floodplain Mapping Project subject to the work being undertaken in accordance with the Stormwater Management Planning Guidelines.
5.8.1	<input type="checkbox"/>	BHKCSP	Brown Hill / Keswick Creeks Stormwater Management Plan	The Authority resolved to approve the Brown Hill and Keswick Creeks Stormwater Management Plan subject to the following condition and publish notice of the approval in the Gazette: (1) Any proposal to implement a component of works identified in (or arising out of) the Stormwater Management Plan must incorporate, wherever practicable, aquifer storage and recovery or other stormwater reuse scheme together with improvement in water quality and biodiversity outcomes to the satisfaction of the Authority.

Res. No	Conf.	Applicant	Agenda Item	Resolution
5.9.1.1	<input type="checkbox"/>	Charles Sturt	Cheltenham Park Racecourse Rezoning DPA	The Authority noted the formal rezoning proposal for the 49 hectare Cheltenham Park Racecourse site and resolved to seek advice from City of Charles Sturt on opportunities for stormwater management including aquifer storage and recovery or other stormwater reuse schemes, involving stormwater from the local catchment as well as from the Torrens Road catchment, within the 35% of the site proposed to be set aside for open space.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Year: 2007				
Meeting 4, Wednesday, 12 December 2007				
4.3.1	<input type="checkbox"/>		Financial Report	The Authority noted the Stormwater Management Fund summary and cash flow budget summary as at 30 November 2007.
4.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	The Authority noted the list of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
4.5.1	<input type="checkbox"/>		Applications Summary	The Authority noted the summary of applications received since January 2006.
4.6.1	<input type="checkbox"/>	BHKCSP	Brown Hill / Keswick Creeks Stormwater Management Plan	The Authority resolved to: (a) Support the work undertaken to date to prepare the Stormwater Management Plan and endorse the flood mitigation aspects of the plan. (b) Suggest Councils continue to work together to ensure opportunities for stormwater retention and re-use throughout the catchment are optimised and request that proposals for this are incorporated in the plan for approval of the Authority. (c) Agree to work with Councils to source the required funds for elements of the plan to enable the first tranche of works to be initiated as soon as practicable.
4.7.1.1	<input type="checkbox"/>	Victor Harbor	City of Victor Harbor (55/07)--Hindmarsh River Levee Upgrade	The Authority resolved to approve a total contribution of up to \$161,000 towards the Hindmarsh River Levee Upgrade.
4.7.2.1	<input type="checkbox"/>	Salisbury	City of Salisbury (24/06)--Bridgestone Drainage Stage 2 (Final)	The Authority resolved to defer consideration of this application pending more information on the necessity and benefits of the proposed works.
4.7.3.1	<input type="checkbox"/>	Playford	City of Playford (50/06)--Chivell Road Outfall Drain	The Authority resolved to defer consideration of this application pending more information on the necessity and benefits of the proposed works.
4.7.4.1	<input type="checkbox"/>	Adelaide Plains	DC of Mallala (44/06)--Bakers Ford Wetland	The Authority resolved not to make a contribution toward this project not considered a priority work that demonstrates a significant flood mitigation component.
Meeting 3, Thursday, 25 October 2007				
3.3.1	<input type="checkbox"/>		Financial Report	The Authority noted the Stormwater Management Fund summary and cash flow budget summary as at 30 September 2007.
3.4.1	<input type="checkbox"/>		Former CMSS Commitments (to 30 June 2006)	The Authority noted the list of remaining funding commitments approved under the former Catchment Management Subsidy Scheme.
3.5.1	<input type="checkbox"/>		Applications Summary	The Authority noted the summary of applications received since January 2006.

Res. No	Conf.	Applicant	Agenda Item	Resolution
3.6.1.1	<input type="checkbox"/>		Bureau of Meteorology (51/07)--ALERT (Flood Warning) & Rainfall / Stormwater Data Collection 2007/08	The Authority resolved to approve a one off total contribution of up to \$56,700 towards operation and maintenance of the ALERT (Flood Warning) & Rainfall / Stormwater Data Collection Program in 2007/08.
3.6.2.1	<input type="checkbox"/>	Port Lincoln	City of Port Lincoln (6/06)--Smith / Shaen Streets Flood Protection Works	The Authority resolved to approve an increased total contribution of up to \$260,000 towards the Smith / Shaen Streets Flood Protection Works on the basis that this contribution will be matched by RFMP funding.
3.6.3.1	<input type="checkbox"/>	Norwood, Payneham & St Peters	City of Norwood Payneham & St Peters (54/07)--First Creek Flood Mitigation Stages 3 to 5 (Final)	The Authority resolved to approve a total contribution of up to \$280,000 towards the First Creek Flood Mitigation Stages 3 to 5 on the basis that this contribution will be matched by NDMP funding.
3.6.4.1	<input type="checkbox"/>	Charles Sturt	City of Charles Sturt (56/07)--Port Road Rejuvenation Stages 1 to 7	The Authority noted the application for implementation of the Port Road Rejuvenation Project in accordance with the approved Stormwater Management Plan for further assessment and consideration.
3.7.1.1	<input type="checkbox"/>		Stormwater Capture and Reuse Opportunities	The Authority resolved that Rod Hook and Terry Stewart should discuss with Colin Pitman the role of the Authority in stormwater capture and reuse opportunities.
Meeting 2, Tuesday, 11 September 2007				
2.2.1	<input type="checkbox"/>		Confirmation of Minutes	The Authority resolved that minutes be circulated to members as soon as practicable following a meeting and then after three business days during which any corrections can be made, the minutes be posted on the website.
2.4.1	<input type="checkbox"/>		Financial Report	The Authority noted the Stormwater Management Fund summary and cash flow budget summary as at 31 July 2007.
2.5.1	<input type="checkbox"/>		Port Road Rejuvenation Stormwater Management Plan	The Authority resolved to approve the Port Road Rejuvenation Stormwater Management Plan and publish notice of the approval in the Gazette.
2.6.1	<input type="checkbox"/>		Applications Summary	The Authority noted the summary of applications received since January 2006.
2.7.1.1	<input type="checkbox"/>		Bureau of Meteorology (51)--ALERT (Flood Warning) & Rainfall / Stormwater Data Collection 2007/08	The Authority resolved to defer consideration of this application pending a presentation by the applicant at the next meeting.

Res. No	Conf.	Applicant	Agenda Item	Resolution
Meeting 1, Thursday, 26 July 2007				
1.3.1	<input type="checkbox"/>		Meeting Procedures	<p>The Authority resolved to note and adopt the following Meeting Procedures as referred to in the Stormwater Management Agreement and the Local Government (Stormwater Management) Amendment Act 2007 (the Act) (1 to 8) together with additional procedures (9 to 13).</p> <p>(1) A quorum of the board consists of 5 members.</p> <p>(2) If the presiding member is absent, a member chosen by those present will preside.</p> <p>(3) A decision carried by a majority of the votes cast by the members present at a meeting is a decision of the board, provided that at least four of the members present vote in favour of the decision.</p> <p>(4) Each member present at a meeting has one vote (<i>the presiding member has a deliberative vote but no casting vote</i>).</p> <p>(5) The board may conduct conference meetings by telephone or other electronic means providing that:</p> <ul style="list-style-type: none"> • notice of the conference is given to all members in the manner determined by the board; and, • each participating member is capable of communicating with every other participating member during the conference. <p>(6) A proposed resolution becomes a valid decision despite the fact that it is not voted on at a meeting of the board if:</p> <ul style="list-style-type: none"> • notice of the proposed resolution is given to all members in accordance with procedures determined by the board; and, • a majority of the members express concurrence in the proposed resolution by letter, facsimile, email or other written communication. <p>(7) The board must have accurate minutes kept of its meetings.</p> <p>(8) Subject to this schedule, the board may determine its own procedures.</p> <p>(9) Formal meeting procedures, such as the moving and seconding of resolutions, will be kept to a minimum to encourage discussion, debate and the reaching of consensus, to the fullest extent possible.</p> <p>(10) Notwithstanding (9) above, at the discretion of the presiding member, or at the request of another member, formal meeting procedures may be applied to specific resolutions.</p> <p>(11) The presiding member and members may nominate agenda items for Authority meetings. Proposed agenda items should be forwarded to the General Manager at least ten days prior to a scheduled meeting and be accompanied by an explanatory note.</p> <p>(12) As outlined in clause (8) above, the Authority may adopt any other formal meeting procedures deemed necessary, by resolution of the Authority at any time.</p> <p>(13) Honesty and Accountability Paper No. 1: Duties of Corporate Agency Members. An information paper setting out the legal responsibilities of corporate agency members under the Public Sector Management Act 1995 is attached.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
1.3.2	<input type="checkbox"/>		Meeting Procedures	<p>The Authority resolved to adopt the following procedures with respect to conflict of interest.</p> <p>(1) A Register of Interests that records any interests declared by members shall be tabled and recorded in the minutes of the next meeting of the Authority. A copy of the Register of Interests shall be forwarded to the Minister for Infrastructure. This process will be repeated whenever there is any change in the interests of one or more members.</p> <p>(2) A member, who is an applicant's employee or councillor or who has a direct or indirect personal or pecuniary interest in a matter, shall leave the meeting while the matter is discussed or voted on.</p> <p>(3) Agenda items that include information that is not publicly available or requires a decision of the Authority will not be circulated to a member that has a direct or indirect personal or pecuniary interest in a matter.</p> <p><i>Department of the Premier and Cabinet were consulted on this process post meeting</i></p>
1.4.1	<input type="checkbox"/>		General Manager – Delegation of Authority	<p>The Authority noted that the General Manager is responsible for all financial and administrative functions associated with operation of the Authority and implementation of the Stormwater Management Agreement and resolved to approve:</p> <p>(1) A delegation of authority for the General Manager to approve goods and services procurement up to a sum of \$55,000 on behalf of the Authority.</p> <p>(2) A delegation of authority for the General Manager to approve a varied or revised application for funding where the application is consistent with the prior approval of the Authority (or Stormwater Management Committee or Catchment Management Subsidy Scheme) and where a revised contribution sum sought is not more than 10% greater than previously approved by the Authority (or Stormwater Management Committee or Catchment Management Subsidy Scheme) in respect of projects having a previously approved contribution sum not exceeding \$750,000.</p>
1.5.1	<input type="checkbox"/>		Financial Transactions	<p>The Authority resolved to approve and adopt the following process for authorising financial transactions on behalf of the Authority.</p> <p>(1) All withdrawals or payments from the Stormwater Management Fund account for the purpose of making payment to Councils or other parties in respect of financial contributions to projects approved by the Authority (or Stormwater Management Committee or Catchment Management Subsidy Scheme) must be authorised by <u>any two</u> of the General Manager and/or members.</p> <p>(2) All withdrawals or payments from the Stormwater Management Fund account for the purpose of reimbursing Office of Major Projects and Infrastructure in respect of any payments made or costs incurred on behalf of the Authority in respect of projects approved by the Authority or in accordance with the operating budget or as specifically approved by the Authority must be authorised by <u>any two</u> of the General Manager and/or members.</p> <p>(3) Deposits into the Stormwater Management Fund account for the purpose of receiving funds from the Australian or State Governments or other funding source must be authorised by <u>any one</u> of the General Manager and/or members.</p>
1.6.1	<input type="checkbox"/>		DTEI Stormwater Group	<p>The Authority noted that the Chief Executive of Department for Transport, Energy and Infrastructure had agreed to provide ongoing technical services including technical review of stormwater projects and advice at no cost to the Authority.</p>

Res. No	Conf.	Applicant	Agenda Item	Resolution
1.7.1	<input type="checkbox"/>		Natural Resources Management Board	The Authority noted that the relevant NRMB will assess all future projects in terms of stormwater use (including aquifer storage) opportunities, water quality and environmental enhancement components.
1.8.1	<input type="checkbox"/>		Stormwater Management Planning Guidelines	The Authority endorsed the Stormwater Management Planning Guidelines to be published in the Gazette in accordance with section 13 (2) of the Act, if approved by the NRM Council. <i>The NRM Council approved the Guidelines without further amendment on 26 July 2007</i>
1.9.1	<input type="checkbox"/>		Financial Report	The Authority noted the Stormwater Management Fund summary and cash flow budget summary as at 30 June 2007. The members noted that under the Act the Authority may utilise borrowings with approval of the Treasurer in order to bring forward spending on priority projects wherever possible.
1.10.1	<input type="checkbox"/>		Former CMSS Commitments as at 30 June 2006	The Authority noted the detailed list of existing funding commitments approved under the former Catchment Management Subsidy Scheme.
1.11.1	<input type="checkbox"/>		Applications Summary	The Authority noted the list of all applications received since January 2006.
1.12.1.1	<input type="checkbox"/>	Murray Bridge	Rural City of Murray Bridge--Schwerdt Road Dams Project (30)	The Authority resolved to approve an increase of \$27,400 to a revised total contribution of up to \$84,100 .
1.12.2.1	<input type="checkbox"/>	Port Lincoln	City of Port Lincoln--Smith/Shoen Streets Flood Protection Works (6)	The Authority resolved to defer this application pending review of its cost benefit and further explanation of how this project had increased from a total cost of \$523,200 to \$1,043,377.
1.12.3.1	<input type="checkbox"/>	Norwood, Payneham & St Peters	City of Norwood Payneham and St Peters--First Creek Flood Mitigation Stage 1 (46)	The Authority resolved to approve an increase of \$100,000 to a revised total contribution of up to \$825,000 .
1.12.4.1.1	<input type="checkbox"/>	Norwood, Payneham & St Peters	City of Norwood Payneham and St Peters--First Creek Flood Mitigation Stage 2 (53)	The Authority resolved to approve a contribution of up to \$280,000 .
1.12.4.2.1.1	<input type="checkbox"/>	Murray Bridge	Murray Bridge (29)--Adelaide Road Drainage Stage 2A	The Authority resolved to approve a contribution of up to \$129,602 .
1.12.4.2.2.1	<input type="checkbox"/>	Port Adelaide Enfield	Port Adelaide Enfield (10)--Wellington Street Stage 4	The Authority resolved to approve a contribution of up to \$200,000 .
1.12.4.2.3.1	<input type="checkbox"/>	Port Adelaide Enfield	Port Adelaide Enfield (11)--HEP Outfall Drain Stage 12	The Authority resolved to approve a contribution of up to \$100,000 .

Res. No	Conf. Applicant	Agenda Item	Resolution
1.12.4.2.4.1	<input type="checkbox"/> Holdfast Bay	Holdfast Bay (45)--Pier Street Drain Stage 2	The Authority resolved to approve a contribution of up to \$173,000 .
